Operating Agreement for the
Goulden Rule Driving School LLC

It is the intent of the Goulden Rule Driving School and affiliates of the company to provide instruction and experience to students of all ages in driver education. Instructors of the Goulden Rule Driving School (GRDS) are certified teachers in the state of Iowa. The format of the school may vary depending on the time of year, (summer or during the school year) however, instructional content will be the same.

Iowa State requirements will be met or exceeded:

1. Length of the day may not exceed 180 minutes.
2. Number of classroom hours will be a minimum of 30 hours (32.5-34 will be offered).
3. Students will receive 240 minutes of substance abuse education.
4. Students will receive a minimum of 20 minutes of railroad crossing safety.
5. Students will be provided instruction relating to organ donation under the Uniform Anatomical Gift Act.
6. Two or more students will be scheduled for all behind the wheel instruction.
7. 30 minutes per session, 60 minutes per day is the maximum a student may drive in one day.
8. The minimum number of times a student will drive in a duel control automobile during the entire course without simulation or range is 12.
9. A maximum of 360 minutes of range instruction may be substituted for behind the wheel instruction.
10. All driver education instructors, with the exception of behind the wheel instructors, must hold a valid Iowa secondary teaching license and the Driver Education endorsement.

It is our intent that all students will complete the course at program's end. However, students with excessive absences, tardies, deficient driving abilities or disruptive behavior, as judged by the instructor, will be dismissed from the program or be required to obtain more driving experience before being issued a certificate of completion. Additional driving experience may be obtained with the instructor or other persons meeting state requirements as at discretion of the instructor.

Upon successful completion of the course, the student's name will be submitted to the Department of Transportation, and they are then eligible to obtain their Graduated License (if they are 16 years old), or the Minor School License (MSG or "school permit') if they are not yet 16 but intend to drive to and from school and school sponsored events. Certificates of completion are no longer issued; everything is online through the DOT. All other Graduated License requirements must be met. (See graduated License information from the Department of Transportation)

Upon completion of the course the Goulden Rule Driving School is not responsible for any action of students.
