

Leaves of absence may be set forth in a collective bargaining agreement, handbook, or individual employment contract approved by the Board of Education. **This policy delineates leaves of absence for employees not covered by a collective bargaining agreement.**

To the extent a group of employees has a recognized collective bargaining unit, the provisions of the collective bargaining agreement regarding leaves of absence, if any, shall apply. **If a specific leave provision within this policy is not addressed in a collective bargaining agreement, the provision of this policy shall also apply to employees within the collective bargaining unit.**

~~Employees covered by collective bargaining agreements shall receive leaves of absence in accordance with the appropriate collective bargaining agreement provisions. This policy delineates leaves of absence for employees not covered by a collective bargaining agreement.~~

Sick Leave

All regular full and part time employees, except teachers, temporary employees, shall be granted paid leave of absence for personal illness, injury, or associated treatment each year in the following amounts:

- 1st full school year: ~~12~~ 13 days
- 2nd full school year: ~~13~~ 15 days
- ~~3rd full school year:~~ **Thereafter:** 14 18 days
- ~~4th full school year:~~ 15 days
- ~~Thereafter:~~ 18 days

Teachers shall be granted 20 days of leave for personal illness, injury or associated treatment per service year.

Temporary employees shall not be granted paid sick leave.

Unused sick leave days may be accumulated to a maximum of 95 contract days, including the current year allocation. Accrued but unused sick leave is not “paid out” upon termination of employment.

Sick leave days will be prorated for employees who are not contracted for or who do not work a full contract year. Part-time employees shall be granted a pro-rata amount of sick leave based upon the ratio of the number of hours they work to 40 hours. **Any individual employed on the basis of less than five days per week shall be granted a pro rate amount of sick leave.**

Up to a maximum of six days of paid sick leave may be approved under the following circumstances; such days will be deducted from the employee’s personal sick leave balance:

- Leave for the parent of a new born or newly adopted child
- Illness, injury, or medical treatment for a member of the employee’s immediate family.

“Immediate family” is defined as: a spouse, parent (including step relationships), or child (including step, adopted, foster, and legal guardian).

(NOTE: Elective and cosmetic surgery and related procedures, including but not limited to cosmetic treatments, orthodontic consultation or treatment, lasik surgery, periodic physicals and preventative health check-ups, etc. do not qualify for paid sick leave.)

An employee making a claim for paid sick leave, either for the employee’s own illness or that of a family member, shall provide a medical report from a doctor confirming the necessity for such a leave of absence upon request of the superintendent or designee. A report may also be required to confirm fitness to return to duty.

Workers’ Compensation

An employee injured or disabled on the job may be eligible to receive a weekly benefit under the Iowa workers’ compensation law. If an employee receives workers’ compensation benefits, the employee’s accumulated sick leave will be reduced proportionate to the amount the workers’ compensation benefits are to the employee’s regular salary. At such time, the employee may also elect to have the workers’ compensation benefits supplemented from the District by using either sick leave, vacation leave, personal leave, and/or earned compensatory time. If supplemental payments are elected, leave time will be reduced by one full day for each day of absence. When all leave time is exhausted, supplemental payments will cease.

An employee who, in the course of employment, suffers a personal injury resulting from an episode of violence toward that employee for which workers’ compensation is payable, shall be entitled to have workers’ compensation benefits supplemented in order for the employee to receive full salary and benefits for the shortest of:

- (a) one year from the date of the disability; or
- (b) the period during which the employee is disabled and incapable of employment.

Supplementation in such situations shall not be charged against sick leave, vacation time, personal leave, or earned compensatory time. The District may require the employee, as a condition of receiving benefits under this section, to provide a signed statement that justifies the use of this leave and, if medical attention is required, a certificate from a licensed physician that states the nature and duration of the leave.

Extended Disability Leaves of Absence

An administrator, supervisor or classified employee, except a temporary employee, who is unable to work because of personal illness or injury, and who has exhausted all paid leave available, may be granted an unpaid leave of absence and may continue all available fringe benefits at his/her own expense, except that the District shall provide benefits in accordance with the Family and Medical Leave Act.

Family and Medical Leave Act

Federal law requires the District to grant up to 12 weeks of unpaid leave per year to employees who have been employed at least 12 months and who have worked at least 1,250 hours during the preceding 12 months for the purpose of:

- (1) the employee's personal serious health condition,
- (2) caring for the employee's newly born child,
- (3) caring for a child placed for adoption or placement of a foster child,
- (4) caring for the employee's parent, spouse, or child (under 18 years of age, or 18 years of age or older and incapable of self-care because of a physical or mental disability) with a serious health condition, and
- (5) a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is on active duty or has been notified of an impending call to active duty in the Armed Forces in a foreign country.

In addition, federal law requires the District to grant eligible employees up to 26 weeks of leave during a single twelve-month period to care for a covered service member with a serious illness or injury incurred or aggravated in the line of duty on active duty.

During FMLA the District requires an eligible employee to first utilize any earned paid sick leave, vacation time or other leave provided by policy or by a collective bargaining agreement to the extent the purpose is covered by and consistent with requirements for the paid leave time. Any FMLA leave in excess of available paid leave shall be unpaid.

At the employee's option, the District shall continue the District's contributions towards health insurance on behalf of the employee for up to 12 (or 26, if applicable) weeks as if the employee were still at work. If the employee has more than 12 (or 26, if applicable) weeks of paid leave available, the District shall continue the District's contribution until the paid leave is exhausted. The employee shall remit the employee's contribution towards health insurance by the date the District makes payment to the insurance carrier or within 30 days thereafter. Failure to make contributions when due may result in the employee losing coverage during the period of the leave. If the employer makes the employee-owed payments, the employee authorizes the District to offset such sums advanced against any sums owed to the employee. If the employee does not return to work at the end of the leave (except for reasons specified in the Act), the employee will be required to reimburse the District for all contributions made by the District while the employee was on unpaid leave.

Employees may request leave under the Family Medical and Leave Act for up to a total of 12 weeks per year (or a total of 26 weeks to care for a covered service member with a serious illness or injury incurred or aggravated in the line of duty). "Year" shall be defined as a 12-month period measured forward from the date an employee's first FMLA leave begins. Leave to care for a newly-born, adopted or foster child must conclude within 12 months of the birth or placement of the child. Spouses, both of whom are employed by the District, may take a combined 12-week

allotment for the birth or placement of a child and/or spouses may take a combined 26-week allotment to care for a covered service member with a serious illness or injury incurred or aggravated in the line of duty. The District may require an employee to provide written certification from a health care provider when an employee requests family and medical leave for the employee's own serious health condition or to care for the employee's parent, spouse, or child with a serious health condition, or to care for a covered service member with a serious illness or injury.

Bereavement Leave

Employees, except temporary employees, may be granted up to five days paid leave per occurrence in the event of the death of a member of the employee's immediate family. The "immediate family" shall include spouse, child (including step, adopted, foster or legal guardian relationship), parent, step-parent, brother, or sister of the employee.

~~Emergency Leave~~ Extended Family or Close Friend: Illness, Injury or Death

Employees, except temporary employees, shall be granted up to a total of three days of paid emergency leave per contract year in the event of **illness, injury or death** ~~or a serious health condition~~ in the extended family or of a close friend, where sick leave or bereavement leave provisions do not apply.

~~"Serious health condition" is defined as: an illness, injury, impairment, or physical/mental condition that involves:~~

- ~~A. either, inpatient (at least one overnight stay), non-elective treatment in a hospital, hospice, or residential care facility including any period of subsequent related outpatient treatment delivered in a hospital, hospice, or medical treatment facility in connection with the initial inpatient condition;~~
- ~~B. or, the actual day an immediate family member undergoes outpatient surgery (or other invasive procedure) at a hospital or medical treatment facility, including doctor's office when the doctor deems it medically appropriate, where the presence of the employee is medically required by the patient's doctor.~~

"Extended family" for purposes of ~~leave for a serious health condition~~ **illness or injury** is defined as grandparent, grandchild, sister, brother, in-law relations (i.e. father, mother, sister, brother, son, daughter) or close friend.

"Extended family" leave for a death is defined as in-law relations (i.e. father, mother, sister, brother, son, daughter), grandparent and grandchild, or close friend.

Death of a Student or Employee

In the event of death of a student or employee of the Cedar Falls Community School District, the principal of the ~~appropriate building~~ **or supervisor of the effected department** may, **after consultation with Director of Human Resources**, grant to an appropriate number of **designated** employees sufficient time to attend the funeral **as representatives of the District**; such time shall not be debited from employee leave balances. **Other colleagues who wish to attend the funeral shall request applicable leave.**

Personal Leave

Employees, except administrators and temporary employees are allowed up to two days of paid leave per year for personal leave. Personal leave may be granted for routine doctor or dental appointments including physicals, dental visits, well-baby appointments, preventive health checkups; visits with financial or legal advisors; or such other purposes as the employee may determine. Personal leave days may be accumulated up to four days, including the current year allotment. Personal leave shall be taken by Classified Employees **(except para educators and transportation employees)** in one hour, one-half day, or full day increments. ~~one day, or two day allotments.~~ **Para educators and transportation employees may take personal leave in one-half day or full day increments.** The unused personal leave days will be added to the allotment of sick leave and may be in excess of the established sick leave maximum.

Personal leave may be requested for use at a time that extends a vacation or holiday. Personal leaves shall not be granted for teachers on days scheduled for state mandatory testing; days scheduled for end of semester or end of year exams; days scheduled for building or district-wide parent/guardian conferences; or during the first five or last five service days of the school year. Generally teachers should avoid requesting personal leave on a day scheduled for district-wide or building level professional development.

Military Leave

Leaves for military service will be granted in accordance with applicable law which provides that employees (other than employees employed temporarily for six months or less) who are members of the national guard, organized reserves or any component part of the military, naval, or air force or nurse corps of Iowa or of the United States, or who may be otherwise inducted into the military service shall, when ordered by proper authority to service, be entitled to a leave of absence for the period of such service, and without loss of pay for the first 30 calendar days of such leave of absence.

Jury Duty and Subpoena Leave

Employees called for jury service, or subpoenaed in a civil or criminal court proceeding on a matter related to their employment with the District, shall be permitted to be absent from duties. Pay received for jury or witness service, except travel expense, shall be remitted to the District. In order to receive payment, the employee must give at least two days' prior notice of the summons for service or subpoena, and must furnish satisfactory evidence that such service was performed on the days for which payment is claimed. An employee not required to perform duty all day shall return to work.

Conference Leave

An employee appointed by the appropriate director to represent an area of service or instruction or the District, will be granted leave with pay to attend educational conferences or conventions. All approved costs will be borne by the District.

An employee approved by the appropriate director to attend an educational conference or convention directly or closely related to the employee's area of service shall be eligible for leave with pay. In such instances, the District shall provide a substitute, if necessary, and may partially or wholly reimburse the employee for approved expenses (depending upon factors which include, but are not limited to, the nature of the conference, the number of persons attending, and the costs related to the attendance).

An employee who is an officer or participant of a curriculum specialty event, conference, or convention may attend with pay if approved by the appropriate director. In such instances, the District shall pay for the cost of any required substitute, but will not reimburse the employee for any conference/convention-related expenses.

Requests for approval for leaves described in paragraphs two and three of this section must be made to the appropriate director at least two weeks before the beginning of the leave.

Public Office Leave

Leaves of absence for service in an elected municipal, county, state or federal office shall be granted in accordance with applicable law. The leave of absence shall be without pay or benefits and shall not exceed six years. The employee may continue all fringe benefits in effect for the duration of the leave at his/her own expense. In addition, an employee who becomes a candidate for elective public office shall be granted a leave commencing within 30 days prior to a contested primary, special, or general election and continuing until the day after the election. The employee shall first use any earned compensatory time, then vacation and personal leave time and then unpaid leave. An employee who is a candidate for any elective public office shall not campaign while on duty as an employee.

Other Absences

Leaves of absence for reasons other than those listed above, or in excess of the number of days allowed, may be granted by the superintendent or designee. The employee shall have deducted from his/her salary an amount equal to one day's pay for each day of absence. The District shall not continue fringe benefits, but the employee may continue the fringe benefits for the duration of the leave at his/her own expense, except that the District shall provide benefits in accordance with the Family and Medical Leave Act.

Discipline

Absences for reasons other than those provided for in this policy or in a negotiated agreement, or failure on the part of the employee to follow procedures for requesting leave of absence, failure of the employee to provide reasonable evidence confirming the necessity for the leave of absence following request by the District, failure of an employee to return to work on the specified date following the leave of absence, failure to communicate in a timely manner an inability to return to work on the specified date following the leave of absence, or failure to provide a legitimate reason for failing to return on the specified date following the leave of absence, **or submitting a false or misleading explanation for the leave** may be grounds for disciplinary action, including dismissal.
