**Purpose**

The purpose of these complaint procedures is to resolve, at the lowest possible level, complaints of employees which may arise from time to time regarding their working conditions.

**Exclusion**

Any matter brought under a grievance procedure of a collective bargaining agreement shall not also be brought under the procedures of this policy.

**Procedures**

Any employee with a complaint regarding his/her working conditions may first discuss such complaint with his/her immediate supervisor in an attempt to resolve the matter informally. The immediate supervisor should be informed of the complaint within 15 working days of the event giving rise to the complaint, and the supervisor shall attempt to meet with the employee within 15 working days of being notified. This informal step may be bypassed.

If the matter is not satisfactorily resolved, the employee may file a written complaint with the immediate supervisor. The complaint should be filed within 15 working days of the event giving rise to the complaint or within 15 working days following the discussion with the immediate supervisor. The immediate supervisor shall attempt to indicate the disposition of the complaint in writing within 15 working days of the filing of the written complaint.

If the employee feels that the matter is not satisfactorily resolved, he/she may file the written complaint and the immediate supervisor's disposition with the next level supervisor along with a request for further review. The request should be filed within ten working days of the disposition by the immediate supervisor. The next level supervisor shall attempt to indicate the disposition of the complaint in writing within 15 working days of the filing of the request for further review.

If the matter is not satisfactorily resolved, the employee may continue to file requests for further review through the chain of authority through the superintendent or designee. The same procedures and timelines as set forth above for review by a next level supervisor shall apply through the chain of authority through the superintendent or designee.

If the employee still feels that the matter is not satisfactorily resolved, the employee may request to appear before the Board of Education by filing the written complaint and the written dispositions with the Board of Education secretary and ask for a place on the agenda. The Board of Education secretary shall consult with the Board of Education president. The Board of Education president may direct that the matter be placed on the Board of Education agenda. If the Board of Education president declines to place the matter on the Board of Education

agenda, the superintendent or designee's decision shall be final. If the matter is placed on the Board of Education agenda, the employee may appear at the Board of Education meeting and discuss the matter with the Board of Education. The administrative staff may also discuss the matter with the Board of Education. Prior to the Board of Education meeting at which the matter will be discussed, the Board of Education Secretary should ascertain whether a closed session may be appropriate. The Board of Education may refuse in its sole discretion to take action on the complaint or the Board of Education shall decide the matter as soon as practicable, and the Board of Education secretary shall communicate the Board of Education's decision to the employee. If the Board of Education declines to decide the matter, the disposition of the superintendent or designee shall be final.

**Non-interference**

To the extent possible, all investigations, handling or processing of any complaint shall be conducted so as to result in no interference with or interruption of work activities.

**Discrimination and Harassment Complaints**

Employees alleging improper discrimination or harassment may bypass any step of these procedures which requires the employee to meet with the alleged perpetrator. The complainant may file the initial complaint with the compliance officer.

**No Retaliation**

No person shall retaliate against another person because the person has filed a complaint, assisted or participated in an investigation, as long as the participation or action was in good faith.

*Individual Contracts*

Code No. *401.8*

#### **Contracts with Administrators**

The length of the contract for employment between an administrator and the Board shall be determined by the Board. Contracts with administrators in the District shall be in writing and shall state the term of employment, the length of time during the year services are to be performed, the compensation to be paid, and such other matters as may be agreed upon. The contract is invalid if the administrator is under contract with another Board of Education of another district in Iowa covering the same period of time until such contract shall have been released or terminated.

The first three consecutive years of a contract issued to a newly employed administrator will be considered a probationary period. The probationary period may be extended for an additional year upon the consent of the administrator. In the event of termination of a probationary or nonprobationary contract, the board will afford the administrator appropriate due process, as required by law. The administrator and board may mutually agree to terminate the administrator's contract.

Contracts of nonprobationary administrators shall automatically continue for only one additional year beyond the end of their terms unless modified by mutual agreement or unless terminated.

A contract shall not be tendered to a continuing administrator prior to March 15. The administrator shall sign and return the contract by the date specified by the Board of Education, which shall be at least 21 days after it is tendered. If the administrator does not sign and return the contract by the date specified and does not submit a resignation, the prior contract shall automatically continue for one additional year.

The contract shall be signed by the president of the Board of Education and by the administrator and shall be filed in the Administrative Center before the administrator enters upon performance of the contract.

Administrators who wish to resign, to be released from a contract, or to retire, must comply with applicable law and Board policies.

#### **Contracts with Licensed Teachers**

Contracts with licensed teachers in the District shall be in writing and shall state the number of contract days, the compensation to be paid, and any other matters mutually agreed upon. The contract is invalid if the employee is under a contract with another Board of Education during the same time period until a release is obtained.

The first three consecutive years of a licensed employee's contract is a probationary period unless the employee has already successfully completed the probationary period in an Iowa school district. New employees who have successfully completed a probationary period in a previous Iowa school district will serve a two year probationary

period. For purposes of this policy, an employee will have met the requirements for successfully completing a probationary period in another Iowa school district if, at the teacher's most recent performance evaluation, the teacher received at least a satisfactory or better evaluation and the individual has not engaged in conduct which would disqualify the teacher for a continuing contract.

Only the District, in its discretion, may waive the probationary period. The District may extend the probationary period for one additional year with the consent of the licensed employee. The District will make the decision to extend or waive a licensed employee's probationary status based upon the superintendent or designee's recommendation. During this probationary period the District may terminate the licensed employee's contract at the end of the year without cause year or immediately discharge the employee consistent with applicable law and board policies.

Contracts for coaching interscholastic athletic activities shall be issued separately from teaching contracts. The contract shall be for a single school year. An extracurricular contract may be terminated prior to the expiration of that contract in accordance with applicable law. A resignation or termination from a coaching contract shall not affect the teaching contract. However, a resignation or termination from a teaching contract shall automatically be a resignation or termination from all coaching contracts held by the employee.

Continuing contracts with licensed teachers shall be the same as for the preceding contract term except as modified or terminated as provided by law. Contracts for coaching interscholastic athletics shall not be continuing contracts. The Board may issue temporary and nonrenewable contracts in accordance with law.

A contract shall not be tendered to a continuing licensed employee prior to March 15. The licensed employee shall sign and return the contract by the date specified, which shall be at least 21 days after it is tendered. If the licensed employee does not sign and return the contract by the date specified and does not submit a resignation, the prior contract shall automatically continue for one additional year.

The contract shall be signed by the president of the Board of Education when tendered, and after it is signed by the licensed employee, the contract shall be filed in the Administrative Center before the employee enters into performance under the contract.

Licensed employees whose contracts will be recommended by the Superintendent or designee to the Board for termination will receive due process as required by law.

Code No. ***401.10***

**“RESCIND” THE POLICY; THE POLICY NUMBER WILL NOT BE IN USE**

The first three consecutive years of employment of a licensed teacher and licensed administrator in the Cedar Falls Community School District shall be a probationary period, unless the employee has already successfully completed the probationary period as a licensed employee in another Iowa school district. Nonadministrative licensed employees who have previously successfully completed a probationary period in another Iowa school district will serve a two year probationary period in the Cedar Falls Community School District.

For purposes of this policy, a licensed employee shall be deemed to have met the requirements for successfully completing a probationary period in another Iowa school district if the licensed employee was employed in the prior district for the requisite number of years, received a satisfactory or better evaluation for the most recent formal evaluation, and the licensed employee has not engaged in conduct which would disqualify the licensed employee from receiving a continuing contract from the prior district.

The first three years of an administrator shall be a probationary period.

Only the District, at its discretion, may waive the probationary period for any licensed teacher who has previously served a probationary period in another Iowa school district.

**Form**

Resignations shall be submitted in writing, signed and dated by the resigning party and delivered to the director of human resources.

**Regular Time for Submitting Resignations****Administrators**

Administrators shall submit their written resignations in the last year of the term of their employment on or before May 1, or on or before the date specified by the Board of Education for return of the contract, whichever date occurs first.

**Licensed Employees Other Than Administrators**

Licensed employees, other than administrators, shall submit their written resignations on or before the last day of the school year or on or before the date specified by the Board of Education for return of the contract, whichever date occurs first. The Board of Education may require a continuing employee who has resigned from an interscholastic coaching contract to accept the coaching contract for one additional year if a good faith effort to find a suitable replacement has been made but the position is not filled by June 1.

**Directors, Associate Directors, Supervisors, Coordinators, and Classified Employees**

Employees shall submit their written resignations at least 14 calendar days prior to their departure dates.

**Early Release Requests by Licensed Employees**

The Board of Education recognizes that there are some circumstances which force an employee to request a release from a contract before the expiration date of the contract. The Board of Education also recognizes that the District suffers difficulties and expenses in finding a suitable replacement, fewer applicants may be available during a contract term, and that a late resignation causes disruption to the District's programs. The Board of Education believes that any employee who signs a contract should fulfill the contract to the best of the employee's ability.

A licensed employee who wishes to resign a contract before the expiration date of the contract shall submit a signed written request setting out the reasons for the requested release and the date of the requested release. The licensed employee shall be released from the contract only if the Board of Education, in its sole discretion, determines that an unusual circumstance exists for an early release from the contract and a suitable replacement is found.

Licensed employees requesting a release from a contract after June 30 may be required to reimburse the District \$3,000 (three-thousand dollars) for the quantifiable and unquantifiable costs of finding a replacement including, but not limit to, staff resources, a diminished applicant pool, and other additional stressors. ~~the expenses of finding a~~

~~replacement, not to exceed the equivalent cost of running two Sunday advertising packages in a newspaper with state-wide distribution.~~ Payment of these costs shall be a condition for release from the contract.

The licensed employee shall be expected to continue performing services under the contract until a suitable replacement can be secured and a written release is obtained from the Board of Education.

A licensed employee may seek a waiver from the Board of Education of any of the conditions set forth for requesting a release prior to the expiration date of the contract. The Board of Education, on its own or following a request, may, in its discretion, waive any of the conditions.

In the event a licensed employee terminates employment without proper release, the superintendent or designee is directed to file a complaint with the Iowa Board of Educational Examiners, and the superintendent or designee may pursue any other remedies under the law.

Disciplinary sanctions which may be imposed include: verbal or written warnings or reprimands, disciplinary probation, disciplinary reassignment, disciplinary suspensions not to exceed ten work days (with or without pay), and/or termination of employment. The nature and duration of the disciplinary sanction shall depend upon the seriousness of the offense, extenuating or exacerbating circumstances, and the employee's prior work record. *If a supervisor or evaluator determines that a teacher, other than a beginning teacher, is not meeting District expectations under the Iowa teaching standards and criteria, or other standards and criteria set ~~in the collective bargaining agreement~~, by the District, the teacher may be required to participate in an assistance program(s) for remediation of the identified concerns, in accordance with applicable law.*

**Definitions**

**Evaluator:** The administrator charged with responsibility as the primary evaluator of the teacher.

**Supervisor:** The director of elementary education or the director of secondary education, or both, as appropriate.

**Awareness Phase:** There is an optional awareness phase, which may not extend beyond two months (60 calendar days). This element exists for use in instances where the evaluator responsible for the decision to begin intensive assistance determines that it is appropriate to use the time for informal discussions and collaboration on the performance modifications identified. When implemented, this phase requires participation by the teacher and the evaluator, but may include other persons, as determined by the evaluator and/or supervisor.

**Professional Assistance Phase:** This optional phase is for the purpose of providing assistance through the involvement of the teacher, the evaluator and other person(s), as deemed appropriate for the situation, in working with the teacher to effectively implement identified performance modifications. It may follow an awareness phase, or it may be the initial assistance function. The elements of this phase are determined by the participating parties.

- **Notification:** The teacher will receive a written notification of the fact that formal intensive assistance has been initiated.
- **Limitations:** A teacher ~~may be a participant~~ who has participated in an Intensive Assistance (Employment at Risk) Phase ~~for not more than two times~~ is not entitled to participate in a second plan on the same standard during his/her employment with this school district. Iowa Teaching Standards 1-7 will be considered as possible areas for intensive assistance with career teachers. Beginning teachers will not qualify for intensive assistance, and issues emanating from Iowa Teaching Standard 8 will not qualify for this program.

- **Assistance Strategies:** The evaluators and other persons appointed by the evaluator and/or the supervisor to serve on the assistance team with the teacher function as sources of ideas, strategies and methods of instruction and management, and in any other manner deemed appropriate by the evaluator and/or the supervisor. Periodic meetings will be held with the teacher, and classroom observations will be conducted.
- **Documentation:** Appropriate documentation will be maintained for Professional Assistance and Intensive Assistance Phases.
- **Dissolution:** Intensive assistance team activities will cease at the close of the twelve month period or at any other earlier time determined by the evaluator or supervisor.

- Administrators shall be eligible for vacations as specified in individual contracts

**Exclusion:** Elementary SAM's, school building clerical, paraeducators, bus drivers, teachers, as well as any individual employed on the basis of 200 days or less for the period of July 1 through June 30, are not eligible to accrue paid vacation. Unpaid vacation days during the school year are the Friday following Thanksgiving Day and generally at least seven (7) day winter break and a spring break of five (5) consecutive days.

**Vacation accruals:** Existing employees shall begin accruing on July 1 each year and shall be credited on the last day of each month. Vacation shall be available for use, subject to supervisory approval, in the month immediately following the month in which it was accrued. Upon initial employment new employees shall have vacation accrual prorated from the date of employment through June 30 of the initial year of employment, credited on the last day of each month. Thereafter vacation accrual shall begin on July 1 and be credited on the last day of each month.

Vacation shall accrue as follows:

Service Period	Date	Annual Total (Weeks Or Hours)
Year 0	Start date through June 30	Proration of 2 weeks; i.e. 80 hours
Year 1-5	July 1 - June 30	2 weeks
Years 6-12	July 1 - June 30	3 weeks
Year 13 and above	July 1 - June 30	4 weeks

*Note: The superintendent or designee may grant a deviation from this accrual schedule under circumstances deemed appropriate. Under no circumstances shall an employee, other than administrators, accrue more than a total of four weeks of vacation per year, excluding any amount which may have rolled over from a prior year.*

Paid sick leave, vacation, personal leave and other paid leave are considered as time worked for the purpose of vacation accrual. Accrual shall be based on a regular 40 hour week and shall not include overtime hours. Unpaid time, including workers' compensation leave, shall not be included for purposes of accrual computation.

Vacation Rollover: As of June 30 of any school year, any vacation balance over the total vacation hours accrued during that school year, with the exception of administrators, will be forfeited.

Rate of Pay: Vacation shall be paid at the employee's regular straight time rate of pay per hour.

Holiday's During Vacation: If a recognized holiday falls within a period of paid vacation that day shall be treated as a holiday and shall not be debited from the employee's vacation balance.

Vacation Scheduling: Approval of requests to take vacation rests with the immediate supervisor or designee with managerial authority. Vacations may be scheduled at any time during the contract year. Vacation may be taken in one hour increments by Classified employees who are considered Non-Exempt employees under the Federal Fair Labor Standards Act and as such are compensated on an hourly wage basis. All other groups of employees are considered Exempt employees under the Fair Labor Standards Act and as such shall take vacation and all other paid time off in one-half or whole day increments.

Termination: Employees who provide a minimum of 14 calendar days' notice of intent to terminate employment shall be paid for all accrued but unused vacation earned as of the final day of paid employment. Any employee who has taken more vacation than has been either rolled over or accrued by the date of termination, shall have his/her final pay adjusted accordingly.

Discipline: Failure on the part of the employee to follow procedures for requesting vacation, failure of an employee to return to work on the specified date following vacation, failure to communicate in a timely manner an inability to return to work on the specified date, or failure to provide a legitimate reason for failing to return on the specified date, may be grounds for disciplinary action, including dismissal.

## **HOLIDAYS**

### Holiday pay eligibility:

To receive holiday pay an employee must be both in an active paid status on the work day immediately preceding a holiday and would otherwise be scheduled to work on the day on which the holiday falls.

### Holiday pay rate:

Shall be at the regular straight time hourly rate for the employee, and shall be prorated on the basis of time worked per 40 hour week.

### Working on a holiday:

If an emergency situation requires an employee to work on a district designated holiday, the employee if regularly compensated on an hourly wage basis shall receive holiday pay at straight time plus double time pay for time worked.

### Holidays which fall on a weekend:

If a holiday falls on a Saturday, the preceding day shall be the designated paid holiday. If a holiday falls on a Sunday, the subsequent day shall be the designated paid holiday.

Holidays which fall during a vacation:

If a recognized holiday falls within a period of paid vacation that day shall be treated as a holiday and shall not be debited from the employee's vacation balance.

Leaves of absence may be set forth in a collective bargaining agreement, handbook, or individual employment contract approved by the Board of Education. This policy delineates leaves of absence for employees not covered by a collective bargaining agreement.

To the extent a group of employees has a recognized collective bargaining unit, the provisions of the collective bargaining agreement regarding leaves of absence, if any, shall apply. If a specific leave provision within this policy is not addressed in a collective bargaining agreement, the provision of this policy shall also apply to employees within the collective bargaining unit.

### **Sick Leave**

All regular full and part time employees, except teachers, shall be granted paid leave of absence for personal illness, injury, or associated treatment each **consecutive service** year in the following amounts:

- |                                     |         |
|-------------------------------------|---------|
| • 1 <sup>st</sup> full school year: | 13 days |
| • 2 <sup>nd</sup> full school year: | 15 days |
| • Thereafter:                       | 18 days |

Teachers shall be granted 20 days of leave for personal illness, injury or associated treatment per **consecutive** service year.

Temporary employees shall not be granted paid sick leave.

Unused sick leave days may be accumulated to a maximum of 95 contract days, including the current year allocation. Accrued but unused sick leave is not “paid out” upon termination of employment, **and shall not be reinstated if an employee later returns to the District.**

Sick leave days will be prorated for employees who are not contracted for or who do not work a full contract year. Part-time employees shall be granted a pro-rata amount of sick leave based upon the ratio of the number of hours they work to 40 hours. Any individual employed on the basis of less than five days per week shall be granted a pro-rated amount of sick leave.

Up to a maximum of six days of paid sick leave may be approved under the following circumstances; such days will be deducted from the employee’s personal sick leave balance:

- Leave for the parent of a new born or newly adopted child
- Illness, injury, or medical treatment for a member of the employee’s immediate family.

“**Immediate family**” is defined as: a spouse, parent (including step relationships), or child (including step, adopted, foster, and legal guardian).

(NOTE: Elective and cosmetic surgery and related procedures, including but not limited to cosmetic treatments, orthodontic consultation or treatment, lasik surgery, periodic physicals and preventative health check-ups, etc. do not qualify for paid sick leave.)

An employee making a claim for paid sick leave, either for the employee's own illness or that of a family member, shall provide a medical report from a doctor confirming the necessity for such a leave of absence upon request of the superintendent or designee. A report may also be required to confirm fitness to return to duty.

### **Workers' Compensation**

An employee injured or disabled on the job may be eligible to receive a weekly benefit under the Iowa workers' compensation law. If an employee receives workers' compensation benefits, the employee's accumulated sick leave will be reduced proportionate to the amount the workers' compensation benefits are to the employee's regular salary. At such time, the employee may also elect to have the workers' compensation benefits supplemented from the District by using either sick leave, vacation leave, personal leave, and/or earned compensatory time. If supplemental payments are elected, leave time will be reduced by one full day for each day of absence. When all leave time is exhausted, supplemental payments will cease.

An employee who, in the course of employment, suffers a personal injury resulting from an episode of violence toward that employee for which workers' compensation is payable, shall be entitled to have workers' compensation benefits supplemented in order for the employee to receive full salary and benefits for the shortest of:

- (a) one year from the date of the disability; or
- (b) the period during which the employee is disabled and incapable of employment.

Supplementation in such situations shall not be charged against sick leave, vacation time, personal leave, or earned compensatory time. The District may require the employee, as a condition of receiving benefits under this section, to provide a signed statement that justifies the use of this leave and, if medical attention is required, a certificate from a licensed physician that states the nature and duration of the leave.

### **Extended Disability Leaves of Absence**

An administrator, supervisor or classified employee, except a temporary employee, who is unable to work because of personal illness or injury, and who has exhausted all paid leave available, may be granted an unpaid leave of absence and may continue all available fringe benefits at his/her own expense, except that the District shall provide benefits in accordance with the Family and Medical Leave Act.

### **Family and Medical Leave Act**

Federal law requires the District to grant up to 12 weeks of unpaid leave per year to employees who have been employed at least 12 months and who have worked at least 1,250 hours during the preceding 12 months for the purpose of:

- (1) the employee's personal serious health condition,
- (2) caring for the employee's newly born child,
- (3) caring for a child placed for adoption or placement of a foster child,
- (4) caring for the employee's parent, spouse, or child (under 18 years of age, or 18 years of age or older and incapable of self-care because of a physical or mental disability) with a serious health condition, and
- (5) a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is on active duty or has been notified of an impending call to active duty in the Armed Forces in a foreign country.

In addition, federal law requires the District to grant eligible employees up to 26 weeks of leave during a single twelve-month period to care for a covered service member with a serious illness or injury incurred or aggravated in the line of duty on active duty.

During FMLA the District requires an eligible employee to first utilize any earned paid sick leave, vacation time or other leave provided by policy or by a collective bargaining agreement to the extent the purpose is covered by and consistent with requirements for the paid leave time. Any FMLA leave in excess of available paid leave shall be unpaid.

At the employee's option, the District shall continue the District's contributions towards health insurance on behalf of the employee for up to 12 (or 26, if applicable) weeks as if the employee were still at work. If the employee has more than 12 (or 26, if applicable) weeks of paid leave available, the District shall continue the District's contribution until the paid leave is exhausted. The employee shall remit the employee's contribution towards health insurance by the date the District makes payment to the insurance carrier or within 30 days thereafter. Failure to make contributions when due may result in the employee losing coverage during the period of the leave. If the employer makes the employee-owed payments, the employee authorizes the District to offset such sums advanced against any sums owed to the employee. If the employee does not return to work at the end of the leave (except for reasons specified in the Act), the employee will be required to reimburse the District for all contributions made by the District while the employee was on unpaid leave.

Employees may request leave under the Family Medical and Leave Act for up to a total of 12 weeks per year (or a total of 26 weeks to care for a covered service member with a serious illness or injury incurred or aggravated in the line of duty). "Year" shall be defined as a 12-month period measured forward from the date an employee's first FMLA leave begins. Leave to care for a newly-born, adopted or foster child must conclude within 12 months of the birth or placement of the child. Spouses, both of whom are employed by the District, may take a combined 12-week

allotment for the birth or placement of a child and/or spouses may take a combined 26-week allotment to care for a covered service member with a serious illness or injury incurred or aggravated in the line of duty. The District may require an employee to provide written certification from a health care provider when an employee requests family

and medical leave for the employee's own serious health condition or to care for the employee's parent, spouse, or child with a serious health condition, or to care for a covered service member with a serious illness or injury.

## **Bereavement Leave**

### **Immediate Family:**

## **Death of a Student or Employee**

In the event of death of a student or employee of the Cedar Falls Community School District, the principal of the building or supervisor of the effected department may, after consultation with Director of Human Resources, grant to an appropriate number of designated employees sufficient time to attend the funeral as representatives of the District; such time shall not be debited from employee leave balances. Other colleagues who wish to attend the funeral shall request applicable leave.

### Personal Leave

Employees, except administrators and temporary employees are allowed up to two days of paid leave per year for personal leave. Personal leave may be granted for routine doctor or dental appointments including physicals, dental visits, well-baby appointments, preventive health checkups; visits with financial or legal advisors; or such other purposes as the employee may determine. Personal leave days may be accumulated up to four days, including the current year allotment.

Personal leave shall not be granted for teachers on days scheduled for state mandatory testing; days scheduled for end of semester or end of year exams; days scheduled for building or district-wide parent/guardian conferences; or during the first five or last five service days of the school year. Generally teachers should avoid requesting personal leave on a day scheduled for district-wide or building level professional development

~~The Unused personal leave days, which exceed the maximum accrual shall roll into a separate leave category to be used for "disruptive life events" will be added to the allotment of sick leave and may be in excess of the established sick leave maximum.~~ after other applicable sick leave, extended family or close friend illness or injury leave, bereavement leave or personal leave has been exhausted. Disruptive life events are specified as: threat to personal property from fire, flood, wind, and/or recovery from such events; personal illness or injury; illness, injury or death in the immediate or extended family or close friend; closure of a day care or adult care facility in compliance with county, state or federal regulations. Any days accrued for disruptive life events are not available to be used as personal leave days and shall not be paid out upon termination from employment.

### Military Leave

Leaves for military service will be granted in accordance with applicable law which provides that employees (other than employees employed temporarily for six months or less) who are members of the national guard, organized reserves or any component part of the military, naval, or air force or nurse corps of Iowa or of the United States, or who may be otherwise inducted into the military service shall, when ordered by proper authority to service, be entitled to a leave of absence for the period of such service, and without loss of pay for the first 30 calendar days of such leave of absence.

### **Jury Duty and Subpoena Leave**

Employees called for jury service, or subpoenaed in a civil or criminal court proceeding on a matter related to their employment with the District, shall be permitted to be absent from duties. Pay received for jury or witness service, except travel expense, shall be remitted to the District. In order to receive payment, the employee must give at least two days' prior notice of the summons for service or subpoena, and must furnish satisfactory evidence that such service was performed on the days for which payment is claimed. An employee not required to perform duty all day shall return to work.

### **Conference Leave**

An employee appointed by the appropriate director to represent an area of service or instruction or the District, will be granted leave with pay to attend educational conferences or conventions. All approved costs will be borne by the District.

An employee approved by the appropriate director to attend an educational conference or convention directly or closely related to the employee's area of service shall be eligible for leave with pay. In such instances, the District shall provide a substitute, if necessary, and may partially or wholly reimburse the employee for approved expenses (depending upon factors which include, but are not limited to, the nature of the conference, the number of persons attending, and the costs related to the attendance).

An employee who is an officer or participant of a curriculum specialty event, conference, or convention may attend with pay if approved by the appropriate director. In such instances, the District shall pay for the cost of any required substitute, but will not reimburse the employee for any conference/convention-related expenses.

Requests for approval for leaves described in paragraphs two and three of this section must be made to the appropriate director at least two weeks before the beginning of the leave.

### **Public Office Leave**

Leaves of absence for service in an elected municipal, county, state or federal office shall be granted in accordance with applicable law. The leave of absence shall be without pay or benefits and shall not exceed six years. The employee may continue all fringe benefits in effect for the duration of the leave at his/her own expense. In addition, an employee who becomes a candidate for elective public office shall be granted a leave commencing within 30 days prior to a contested primary, special, or general election and continuing until the day after the election. The employee shall first use any earned compensatory time, then vacation and personal leave time and then unpaid leave. An employee who is a candidate for any elective public office shall not campaign while on duty as an employee.

### **Other Absences**

Leaves of absence for reasons other than those listed above, or in excess of the number of days allowed, may be granted by the superintendent or designee. The employee shall have deducted from his/her salary an amount equal

to one day's pay for each day of absence. The District shall not continue fringe benefits, but the employee may continue the fringe benefits for the duration of the leave at his/her own expense, except that the District shall provide benefits in accordance with the Family and Medical Leave Act.

**A. District Notice**

1. The District will post a notice regarding family and medical leave.
2. Information on the Family and Medical Leave Act and on the Board of Education policy on family and medical leave, including leave provisions and employee obligations, will be provided annually.
3. When an employee requests family and medical leave, the District will provide the employee with information listing the employee's obligations and requirements. Such information will include:
  - a. a statement clarifying whether the leave qualifies as family and medical leave and will, therefore, be credited to the employee's annual 12-week (or 26 week) entitlement;
  - b. a reminder that an employee requesting family and medical leave for his/her serious health condition or for that of an immediate family member or for that of a covered service member must furnish medical certification of the serious health condition and notice of the consequences for failing to do so;
  - c. an explanation of the employee's right and obligation to substitute paid leave for family and medical leave, including a description of when the District requires substitution of paid leave and the conditions related to the substitution; and
  - d. a statement notifying the employee that the employee must pay, and must make arrangements for paying, any premium or other payment to maintain health or other benefits, as applicable.

**B. Eligible Employees**

Employees are eligible for family and medical leave if three criteria are met.

If the employee requesting leave is unable to meet the three criteria, then the employee is not eligible for family and medical leave.

1. The District has more than 50 employees on the payroll at the time leave is requested;
2. The employee has worked for the District for at least 12 months or 52 weeks (the months and weeks need not be consecutive); and
3. The employee has worked at least 1,250 hours within the previous year. Full-time professional employees who are exempt from the wage and hour law may be presumed to have worked the minimum hour requirement.

**Employee Requesting Leave -- Two Types of Leave.**

*1. Foreseeable family and medical leave.*

- a. Definition - leave is foreseeable for the birth or placement of an adopted or foster child with the employee or for planned medical treatment.
- b. The employee must give at least 30 days' notice for foreseeable leave. Failure to give the notice may result in the leave beginning 30 days after notice is received.
- c. Employees must consult with the District prior to scheduling planned medical treatment leave to minimize disruption to the District. The scheduling is subject to the approval of the health care provider.

*2. Unforeseeable family and medical leave.*

- a. Definition - leave is unforeseeable in such situations as emergency medical treatment or premature birth.
- b. The employee must give notice as soon as possible but no later than one to two work days after learning that leave will be necessary.
- c. A spouse or family member may give the notice if the employee is unable to personally give notice.

**D. Eligible Family and Medical Leave Determination**

The District may require the employee to provide reasonable documentation or a statement of family relationship.

*1. Six purposes.*

- a. The birth of a son or daughter of the employee and in order to care for that son or daughter prior to the first anniversary of the child's birth;
- b. The placement of a son or daughter with the employee for adoption or foster care and in order to care for that son or daughter prior to the first anniversary of the child's placement;
- c. To care for the spouse, son, daughter or parent of the employee if the spouse, son, daughter or parent has a serious health condition; the child must be under 18, or, if over 18, incapable of self-care because of a mental or physical disability;
- d. Employee's serious health condition that makes the employee unable to perform the essential functions of the employee's position;

- e. Any qualifying exigency arising out of the fact that the employee's spouse, child or parent is on active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation;
- f. To care for the employee's spouse, child, parent, or a person to whom the employee is next of kin who is a member of the Armed Forces or who is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or on the temporary disability retired list for a serious injury or illness sustained in the line of duty or on active duty.

2. *Medical certification*

- a. When required:
  - (1) Employees shall be required to present medical certification of the employee's serious health condition and inability to perform the essential functions of the job.
  - (2) Employees shall be required to present medical certification of the family member's serious health condition and that it is medically necessary for the employee to take leave to care for the family member.
  - (3) Employee shall be required to present medical certification of the spouse, child, parent or next of kin who is a covered service member.
- b. Employee's medical certification responsibilities:
  - (1) The employee must obtain the certification from the health care provider who is treating the individual with the serious health condition.
  - (2) The District may require the employee to obtain a second certification by a health care provider chosen by and paid for by the District if the District has reason to doubt the validity of the certification an employee submits. The second health care provider cannot, however, be employed by the District on a regular basis.
  - (3) If the second health care provider disagrees with the first health care provider, then the District may require a third health care provider to certify the serious health condition. This health care provider must be mutually agreed upon by the employee and the District and paid for by the District. This certification or lack of certification is binding upon both the employee and the District.
- c. Medical certification will be required 15 calendar days after family and medical leave begins unless it is impracticable to do so. The District may request recertification every 30 calendar days or as otherwise provided by law. Recertification must be submitted within 15 calendar days of the District's request.

- d. The employee must provide certification of fitness to return to duties from the health care provider who was treating the employee with a serious health condition prior to the employee returning to work.

Family and medical leave requested for the serious health condition of the employee or to care for a family member with a serious health condition or to care for a covered service member with a serious illness or injury which is not supported by medical certification may be denied until such certification is provided.

**E. Entitlement**

1. Employees are entitled to 12 weeks family and medical leave per year (12-month period), except that employees are entitled to 26 weeks family and medical leave during a single 12-month period to care for a covered service member.
2. The 12-month period is measured forward from the date an employee's first FMLA leave begins.
3. If insufficient leave is available, the District may:
  - a. Deny the leave if entitlement is exhausted; or
  - b. Award additional leave.

**F. Type of Leave Requested**

1. Continuous - employee will not report to work for set number of days or weeks.
2. Intermittent - employee requests family and medical leave for separate periods of time.
  - a. Intermittent leave is available for:
    - (1) Birth, adoption or foster care placement of child only with the District's agreement.
    - (2) Serious health condition of the employee, spouse, parent, or child or of a serious illness or injury of covered service member when medically necessary without the District's agreement.
    - (3) A qualifying exigency arising out of the fact that the spouse, child or parent of the employee is on active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation without the District's agreement.
  - b. In the case of foreseeable intermittent leave, the employee must schedule the leave to minimize disruption to the District's operation.

- c. During the period of foreseeable intermittent leave, the District may move the employee to an alternative position with equivalent pay and benefits. *[For instructional employees, see G below.]*
- 3. Reduced work schedule - employee requests a reduction in the employee's regular work schedule.
  - a. Reduced work schedule family and medical leave is available for:
    - (1) Birth, adoption or foster care placement of child only with the District's agreement.
    - (2) Serious health condition of the employee, spouse, parent, or child or of a serious illness or injury of a covered service member when medically necessary without the District's agreement.
    - (3) A qualifying exigency arising out of the fact that the spouse, child or parent of the employee is on active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation without the District's agreement.
  - b. In the case of foreseeable reduced work schedule leave, the employee must schedule the leave to minimize disruption to the District's operation.
  - c. During the period of foreseeable reduced work schedule leave, the District may move the employee to an alternative position with equivalent pay and benefits. *[For instructional employees, see G below.]*

**G. Special Rules for Instructional Employees**

- 1. Definition - an instructional employee is one whose principal function is to teach and instruct students in a class, a small group or in an individual setting. This includes, but is not limited to, teachers, coaches, driver's education instructors and special education assistants.
- 2. Instructional employees who request foreseeable medically necessary intermittent or reduced work schedule family and medical leave greater than twenty percent of the work days in the leave period may be required to:
  - a. Take leave for the entire period or periods of the planned medical treatment; or
  - b. Move to an available alternative position, with equivalent pay and benefits, but not necessarily equivalent duties, for which the employee is qualified.
- 3. Instructional employees who request continuous family and medical leave near the end of a semester may be required to extend the family and medical leave through the end of

the semester. The number of weeks remaining before the end of a semester do not include scheduled school breaks, such as summer, winter or spring break.

- a. If an instructional employee begins family and medical leave for any purpose more than five weeks before the end of a semester, the District may require that the leave be continued until the end of the semester if the leave will last at least three weeks and the employee would return to work during the last three weeks of the semester if the leave was not continued.
  - b. If the employee begins family and medical leave for a purpose other than the employee's own serious health condition during the last five weeks of a semester, the District may require that the leave be continued until the end of the semester if the leave will last more than two weeks and the employee would return to work during the last two weeks of the semester.
  - c. If the employee begins family and medical leave for a purpose other than the employee's own serious health condition during the last three weeks of the semester and the leave will last more than five working days, the District may require the employee to continue taking leave until the end of the semester.
4. The entire period of leave taken under the special rules is credited as family and medical leave. The District will continue to fulfill the District's family and medical leave responsibilities and obligations, including the obligation to continue the employee's health insurance and other benefits, if an instructional employee's family and medical leave entitlement ends before the involuntary leave period expires.

#### **H. Employee Responsibilities While on Family and Medical Leave**

1. The employee must continue to pay health care benefit contributions or other benefit contributions regularly paid by the employee unless the employee elects not to continue the benefits.
2. The employee contribution payments will be deducted from any money owed to the employee, or the employee shall reimburse the District at a time set by the superintendent or designee.
3. An employee who fails to make the health care contribution payments within 30 calendar days after they are due will be notified that his/her coverage may be canceled if payment is not received within an additional 15 calendar days.
4. An employee may be required to re-certify the medical necessity of family and medical leave for the serious medical condition of an employee or family member or of a serious injury or illness of a covered service member once every 30 calendar days or as otherwise provided by law and to return the certification within 15 calendar days of the request.
5. The employee must notify the District of the employee's intent to return to work at least once each month during leave and at least two weeks prior to the conclusion of the family and medical leave.

6. If an employee intends not to return to work, the employee must immediately notify the District, in writing, of the employee's intent not to return. The District will cease benefits upon receipt of this notification.

#### **I. Use of Paid Leave for Family and Medical Leave**

An employee shall substitute unpaid family and medical leave with any paid leave available to the employee, which is applicable to the reason for family and medical leave, under Board of Education policy or a collective bargaining agreement. Paid leave includes sick leave, family illness leave, emergency leave, paid vacation, and/or personal leave. When the District determines that paid leave is being taken for a FMLA reason, the District will notify the employee within two business days (if feasible) that the paid leave will be counted as FMLA leave.

#### **J. Definitions**

The following definitions shall apply to the District's policy and regulations on family and medical leave:

1. *Common Law Marriage* - according to Iowa law, common law marriages exist when there is a present intent by the two parties to be married, continuous cohabitation, and a public declaration that the parties are husband and wife. There is no time factor that needs to be met in order for there to be a common law marriage.
2. *Contingency Operation* - means a military operation that: (1) is designated by the U.S. Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or (2) results in the call or order to, or retention on, active duty of members of the uniformed services under applicable law during a war or during a national emergency declared by the U.S. President or Congress.
3. *Continuing Treatment* - a serious health condition involving continuing treatment by a health care provider includes one or more of the following:
  - a. A period of incapacity (i.e., inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment for or recovery from) of more than three consecutive calendar days and any subsequent treatment or period of incapacity relating to the same condition that also involves:
    - treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or in referral by, a health care provider; or
    - treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of a health care provider.
  - b. Any period of incapacity due to pregnancy or for prenatal care.

- c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:
    - requires periodic visits for treatment by a health care provider or by a nurse or physician's assistant under direct supervision of a health care provider;
    - continues over an extended period of time (including recurring episodes of a single underlying condition); and
    - may cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).
  - d. Any period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke or the terminal stages of a disease.
  - e. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).
- 4. *Covered Service Member* – a member of the Armed forces, including a member of the National Guard or reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is otherwise on the disability retired list, for a serious injury or illness.
  - 5. *Eligible Employee* - an employee of the District which has more than 50 employees on the payroll at the time leave is requested. The employee has worked for the District for at least twelve months and has worked at least 1,250 hours within the previous year.
  - 6. *Essential Functions of the Job* - those functions which are fundamental to the performance of the job. It does not include marginal functions.
  - 7. *Employment Benefits* - all benefits provided or made available to employees by an employer, including group life insurance, health insurance, disability insurance, sick leave, annual leave, educational benefits, and pensions, regardless of whether such benefits are provided by a practice or written policy of an employer or through an "employee benefit plan."

8. *Family Member* - individuals who meet the definition of son, daughter, spouse or parent.
9. *Group Health Plan* - any plan of, or contributed to by, an employer (including a self-insured plan) to provide health care (directly or otherwise) to the employer's employees, former employees, or the families of such employees or former employees.
10. *Health Care Provider* -
  - a. A doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the state in which the doctor practices; or
  - b. Podiatrists, dentists, clinical psychologists, optometrists, and chiropractors (limited to treatment consisting of manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice in the state and performing within the scope of their practice as defined under state law; or
  - c. Nurse practitioners and nurse-midwives who are authorized to practice under state law and who are performing within the scope of their practice as defined under state law; or
  - d. Christian Science practitioners listed with the First Church of Christ Scientist in Boston, Massachusetts; or
  - e. Any health care provider from whom an employer or a group health plan's benefits manager will accept certification of the existence of a serious health condition to substantiate a claim for benefits; or
  - f. A health care provider as defined above who practices in a country other than the United States who is licensed to practice in accordance with the laws and regulations of that country.
11. *In Loco Parentis* - individuals who had or have day-to-day responsibilities for the care and financial support of a child not their biological child or who had the responsibility for an employee when the employee was a child.
12. *Incapable of Self-care* - that the individual requires active assistance or supervision to provide daily self-care in several of the "activities of daily living" or "ADLs." Activities of daily living include adaptive activities such as caring appropriately for one's grooming and hygiene, bathing, dressing, eating, cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, using telephones and directories, using a post office, etc.
13. *Instructional Employee* - an employee employed principally in an instructional capacity by an educational agency or school whose principal function is to teach and instruct students in a class, a small group, or an individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. The term does not include teacher assistants or aides who do not have as their principal function actual teaching or instructing, nor auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers, bus drivers, or other primarily noninstructional employees.

14. *Intermittent Leave* - leave taken in separate periods of time due to a single illness or injury, rather than for one continuous period of time, and may include leave or periods from an hour or more to several weeks.
15. *Medically Necessary* - certification for medical necessity is the same as certification for serious health condition.
16. *Needed to Care For* - the medical certification that an employee is “needed to care for” a family member encompasses both physical and psychological care. For example, where, because of a serious health condition, the family member is unable to care for his or her own basic medical, hygienic or nutritional needs or safety or is unable to transport himself or herself to medical treatment. It also includes situations where the employee may be needed to fill in for others who are caring for the family member or to make arrangements for changes in care.
17. *Next of Kin* – the nearest blood relative of that individual.
18. *Out-patient Status* – with respect to a covered service member, means the status of a member of the Armed Forces assigned to a medically necessary treatment facility as an out-patient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as out-patients.
19. *Parent* - a biological parent or an individual who stands *in loco parentis* to a child or stood *in loco parentis* to an employee when the employee was a child. Parent does not include parent-in-law.
20. *Physical or mental disability* - a physical or mental impairment that substantially limits one or more of the major life activities of an individual.
21. *Reduced leave schedule* - a leave schedule that reduces the usual number of hours per workweek, or hours per workday, of an employee.
22. *Serious health condition* - an illness, injury, impairment, or physical or mental condition that involves:
  - a. Inpatient care (i.e. an overnight stay) in a hospital, hospice or residential medical care facility including any period of incapacity (for purposes of this section, defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment for or recovery therefrom), or any subsequent treatment in connection with such inpatient care; or
  - b. Continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes:

- A period of incapacity (i.e., inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment for or recovery therefrom) of more than three consecutive calendar days, including any subsequent treatment or period of incapacity relating to the same condition, that also involves:
  - \* Treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; or
  - \* Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.
- c. Any period of incapacity due to pregnancy or for prenatal care.
- d. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:
  - Requires periodic visits for treatment by a health care provider or by a nurse or physician's assistant under direct supervision of a health care provider;
  - Continues over an extended period of time (including recurring episodes of a single underlying condition); and
  - May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).
- e. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke or the terminal stages of a disease.
- f. Any period of absence to receive multiple treatments (including any period of recovery from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).
  - Treatment for purposes of this definition includes, but is not limited to, examinations to determine if a serious health condition exists and evaluation of the condition. Treatment does not include routine physical examinations, eye examinations or dental examinations. Under this definition, a regimen of

continuing treatment includes, for example, a course of prescription medication (e.g., an antibiotic) or therapy requiring special equipment to resolve or alleviate the health condition (e.g., oxygen). A regimen of continuing treatment that includes the taking of over-the-counter medications such as aspirin, antihistamines, or salves; or bed rest, drinking fluids, exercise and other similar activities that can be initiated without a visit to a health care provider, is not, by itself, sufficient to constitute a regime of continuing treatment for purposes of FMLA leave.

- Conditions for which cosmetic treatments are administered (such as most treatments for acne or plastic surgery) are not “serious health conditions” unless inpatient hospital care is required or unless complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomach, ulcers, headaches other than migraine, routine dental or orthodontia problems, periodontal disease, etc., are examples of conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave. Restorative dental or plastic surgery after an injury or removal of cancerous growths are serious health conditions provided all the other conditions of this regulation are met. Mental illness resulting from stress or allergies may be serious health conditions, but only if all the conditions of this section are met.
  - Substance abuse may be a serious health condition if the conditions of this section are met. However, FMLA leave may only be taken for treatment for substance abuse by a health care provider or by a provider of health care on a referral by a health care provider. On the other hand, absence because of the employee’s use of the substance, rather than for treatment, does not qualify for FMLA leave.
  - Absences attributable to incapacity under this definition qualify for FMLA leave even though the employee or the immediate family member does not receive treatment from a health care provider during the absence, and even if the absence does not last more than three days. For example, an employee with asthma may be unable to report for work due to the onset of an asthma attack or because the employee’s health care provider has advised the employee to stay home when the pollen count exceeds a certain level. An employee who is pregnant may be unable to report to work because of severe morning sickness.
23. *Serious Injury or Illness* – in the case of a member of the Armed Forces, means an injury or illness incurred in the line of duty or on active duty that may render the member medically unfit to perform the duties of the member’s office, grade, rank or rating.
24. *Son or daughter* - a biological child, adopted child, foster child, stepchild, legal ward, or a child of a person standing in loco parentis. The child must be under age 18 or, if over 18, incapable of self-care because of a mental or physical disability.
25. *Spouse* - a husband or wife recognized by Iowa law including common law marriages.

## EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

### Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness\*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.\*

**\*The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months\*, and if at least 50 employees are employed by the employer within 75 miles.

**\*Special hours of service eligibility requirements apply to airline flight crew employees.**

### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

**FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.**

## Fact Sheet #28: The Family and Medical Leave Act

The Family and Medical Leave Act (FMLA) entitles eligible employees of covered employers to take unpaid, job-protected leave for specified family and medical reasons. This fact sheet provides general information about which employers are covered by the FMLA, when employees are eligible and entitled to take FMLA leave, and what rules apply when employees take FMLA leave.

### COVERED EMPLOYERS

The FMLA only applies to employers that meet certain criteria. A **covered employer** is a:

- Private-sector employer, with 50 or more employees in 20 or more workweeks in the current or preceding calendar year, including a joint employer or successor in interest to a covered employer;
- Public agency, including a local, state, or Federal government agency, regardless of the number of employees it employs; or
- Public or private elementary or secondary school, regardless of the number of employees it employs.

### ELIGIBLE EMPLOYEES

Only eligible employees are entitled to take FMLA leave. An **eligible employee** is one who:

- Works for a *covered employer*;
- Has worked for the employer for at least *12 months*;
- Has at least *1,250 hours* of service for the employer during the 12 month period immediately preceding the leave\*; and
- Works at a location where the employer has at least *50 employees within 75 miles*.

\* Special hours of service eligibility requirements apply to airline flight crew employees. See [Fact Sheet 28J: Special Rules for Airline Flight Crew Employees under the Family and Medical Leave Act](#).

The 12 months of employment do not have to be consecutive. That means any time previously worked for the same employer (including seasonal work) could, in most cases, be used to meet the 12-month requirement. If the employee has a break in service that lasted seven years or more, the time worked prior to the break will not count *unless* the break is due to service covered by the Uniformed Services Employment and Reemployment Rights Act (USERRA), or there is a written agreement, including a collective bargaining agreement, outlining the employer's intention to rehire the employee after the break in service. See ["FMLA Special Rules for Returning Reservists"](#).

### LEAVE ENTITLEMENT

Eligible employees may take up to **12 workweeks** of leave in a 12-month period for one or more of the following reasons:

- The birth of a son or daughter or placement of a son or daughter with the employee for adoption or foster care;
- To care for a spouse, son, daughter, or parent who has a serious health condition;
- For a serious health condition that makes the employee unable to perform the essential functions of his or her job; or
- For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is a military member on covered active duty or call to covered active duty status.

An eligible employee may also take up to **26 workweeks** of leave during a "single 12-month period" to care for a covered servicemember with a serious injury or illness, when the employee is the spouse, son, daughter, parent, or next of kin of the servicemember. The "single 12-month period" for military caregiver leave is different from the 12-month period used for other FMLA leave reasons. *See Fact Sheets 28F: Qualifying Reasons under the FMLA and 28M: The Military Family Leave Provisions under the FMLA.*

Under some circumstances, employees may take FMLA leave on an intermittent or reduced schedule basis. That means an employee may take leave in separate blocks of time or by reducing the time he or she works each day or week for a single qualifying reason. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer's operations. If FMLA leave is for the birth, adoption, or foster placement of a child, use of intermittent or reduced schedule leave requires the employer's approval.

Under certain conditions, employees may choose, or employers may require employees, to "substitute" (run concurrently) accrued paid leave, such as sick or vacation leave, to cover some or all of the FMLA leave period. An employee's ability to substitute accrued paid leave is determined by the terms and conditions of the employer's normal leave policy.

## NOTICE

Employees must comply with their employer's usual and customary requirements for requesting leave and provide enough information for their employer to reasonably determine whether the FMLA may apply to the leave request. Employees generally must request leave 30 days in advance when the need for leave is foreseeable. When the need for leave is foreseeable less than 30 days in advance or is unforeseeable, employees must provide notice as soon as possible and practicable under the circumstances.

When an employee seeks leave for a FMLA-qualifying reason for the first time, the employee need not expressly assert FMLA rights or even mention the FMLA. If an employee later requests additional leave for the same qualifying condition, the employee must specifically reference either the qualifying reason for leave or the need for FMLA leave. *See Fact Sheet 28E: Employee Notice Requirements under the FMLA .*

Covered employers must:

- (1) Post a notice explaining rights and responsibilities under the FMLA (and may be subject to a civil money penalty of up to \$110 for willful failure to post);
- (2) Include information about the FMLA in their employee handbooks or provide information to new employees upon hire;

- (3) When an employee requests FMLA leave or the employer acquires knowledge that leave may be for a FMLA-qualifying reason, provide the employee with notice concerning his or her eligibility for FMLA leave and his or her rights and responsibilities under the FMLA; and
- (4) Notify employees whether leave is designated as FMLA leave and the amount of leave that will be deducted from the employee's FMLA entitlement.

See Fact Sheet 28D: Employer Notice Requirements under the FMLA.

## **CERTIFICATION**

When an employee requests FMLA leave due to his or her own serious health condition or a covered family member's serious health condition, the employer may require certification in support of the leave from a health care provider. An employer may also require second or third medical opinions (at the employer's expense) and periodic recertification of a serious health condition. See Fact Sheet 28G: Certification of a Serious Health Condition under the FMLA. For information on certification requirements for military family leave, See Fact Sheet 28M(c): Qualifying Exigency Leave under the FMLA; Fact Sheet 28M(a): Military Caregiver Leave for a Current Servicemember under the FMLA; and Fact Sheet 28M(b): Military Caregiver Leave for a Veteran under the FMLA.

## **JOB RESTORATION AND HEALTH BENEFITS**

Upon return from FMLA leave, an employee must be restored to his or her original job or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment. An employee's use of FMLA leave cannot be counted against the employee under a "no-fault" attendance policy. Employers are also required to continue group health insurance coverage for an employee on FMLA leave under the same terms and conditions as if the employee had not taken leave. See Fact Sheet 28A: Employee Protections under the Family and Medical Leave Act .

## **OTHER PROVISIONS**

Special rules apply to employees of local education agencies. Generally, these rules apply to intermittent or reduced schedule FMLA leave or the taking of FMLA leave near the end of a school term.

Salaried executive, administrative, and professional employees of covered employers who meet the Fair Labor Standards Act (FLSA) criteria for exemption from minimum wage and overtime under the FLSA regulations, 29 CFR Part 541, do not lose their FLSA-exempt status by using any unpaid FMLA leave. This special exception to the "salary basis" requirements for FLSA's exemption extends only to an eligible employee's use of FMLA leave.

## **ENFORCEMENT**

It is unlawful for any employer to interfere with, restrain, or deny the exercise of or the attempt to exercise any right provided by the FMLA. It is also unlawful for an employer to discharge or discriminate against any individual for opposing any practice, or because of involvement in any

proceeding, related to the FMLA. *See Fact Sheet 77B: Protections for Individuals under the FMLA*. The Wage and Hour Division is responsible for administering and enforcing the FMLA for most employees. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress. If you believe that your rights under the FMLA have been violated, you may file a complaint with the Wage and Hour Division or file a private lawsuit against your employer in court.

This means that you will receive your paid leave and the leave will also be considered protected FMLA leave and counted against your FMLA leave entitlement.
- \_\_\_\_\_ Due to your status within the company, you are considered a "key employee" as defined in the FMLA. As a "key employee," restoration to employment may be denied following FMLA leave on the grounds that such restoration will cause substantial and grievous economic injury to us. - You have a right under the FMLA for up to 26 weeks of unpaid leave in a single 12-month period to care for a covered servicemember with a serious injury or illness. This single 12-month period commenced on \_\_\_\_\_
- Your health benefits must be maintained during any period of unpaid leave under the same conditions as if you continued to work.
- You must be reinstated to the same or an equivalent job with the same pay, benefits, and terms and conditions of employment on your return from FMLA-protected leave. (If your leave extends beyond the end of your FMLA entitlement, you do not have return rights under FMLA.)
- If you do not return to work following FMLA leave for a reason other than: 1) the continuation, recurrence, or onset of a serious health condition which would entitle you to FMLA leave; 2) the continuation, recurrence, or onset of a covered servicemember's serious injury or illness which would entitle you to FMLA leave; or 3) other circumstances beyond your control, you may be required to reimburse us for our share of health insurance premiums paid on your behalf during your FMLA leave.

**DO NOT SEND THE COMPLETED FORM TO THIS OFFICE; IT GOES TO THE EMPLOYEE.**

**Wages and Salaries**

The Board of Education shall establish salary schedules and rates of pay for the several positions in the District ~~not covered by a collective bargaining agreement~~. Wages and salaries shall be negotiated with properly certified bargaining representatives ~~for employees who are covered by a collective bargaining agreement~~.

**~~Denial of Salary Increase or Increment~~ Changes to Wage Rates and Salaries for Individual Employees**

~~The Board of Education may deny a wage or salary increase or increment advance to an employee upon recommendation of the superintendent or designee.~~ Changes to wage rates and salaries for employees covered by a collective bargaining agreement shall be in accordance with that agreement. Individual changes to the salary schedule and rates of pay set by the Board for individual employees not covered by a collective bargaining agreement may be determined by the Superintendent in consultation with the Executive Director of Human Resources and the Chief Financial Officer. Wages and salaries will be reviewed at least annually and may be increased, frozen or decreased if there is a valid and legal basis to do so.

**Overtime**

Non-exempt employees shall be compensated on an hourly basis, which is at least the minimum wage set by federal or state law, whichever is higher. Over-time work must have the prior approval of the employee's supervisor. Failure to obtain approval shall result in disciplinary action. Non-exempt employees shall be compensated at one and one-half times their regular hourly wage rate for work over 40 hours in a work week, or shall be granted compensatory time at one and one-half time for work over 40 hours a work week. The District may require that the employee take compensatory time rather than over-time pay provided the employee is notified of this requirement prior to working the over-time hours. A work week shall run from Sunday at 12:01 a.m. to the following Sunday at 12:00 a.m. Holidays, paid vacations and paid leaves of absence shall not count towards the 40 hours for purposes of computing overtime, unless a collective bargaining agreement provides otherwise. Non-exempt employees shall complete daily time records showing actual time worked, or shall be required to use a time-clock. All time actually worked shall be paid. The time records shall be signed if requested. Failure of the employee to maintain such records or falsification of such records will be grounds for disciplinary action.

## **Salary Basis**

The Fair Labor Standards Act (FLSA) is a federal law which requires that most employees in the United States be paid at least the federal minimum wage for all hours worked and overtime pay at time and one-half the regular rate of pay for all hours worked over 40 hours in a workweek.

However, the FLSA provides an exemption from both minimum wage and overtime pay for employees employed as bona fide executive, administrative, professional and outside sales employees. The FLSA also exempts certain computer employees. To qualify for exemption, employees generally must meet certain tests regarding their job duties and be paid on a salary basis at not less than the amount set by the U.S. Department of Labor. Job titles do not determine exempt status. In order for an exemption to apply, an employee's specific job duties and salary must meet all the requirements of the Department's regulations.

## **Salary Basis Requirement**

To qualify for exemption, employees generally must be paid at not less than the amount set by the U.S. Department of Labor on a salary basis. These salary requirements do not apply to teachers, counselors, librarians, academic administrators i.e., those whose primary duty is performing administrative functions directly related to academic instruction or training, or employees whose primary duty is teaching, tutoring, instructing, or academic functions directly related to academic instruction or training, and exercise independent judgment. Exempt computer employees may be paid at least the amount set by the U.S. Department of Labor on a salary basis or on an hourly basis at a rate not less than the amount set by the U.S. Department of Labor.

Being paid on a "salary basis" means an employee regularly receives a predetermined amount of compensation each pay period on a weekly or less frequent basis. The predetermined amount cannot be reduced because of variations in the quality or quantity of the employee's work. Subject to exceptions listed below, an exempt employee must receive the full salary for any work week in which the employee performs any work, regardless of the number of days or hours worked. Exempt employees do not need to be paid for any work week in which they perform no work. If the employer makes deductions from an employee's predetermined salary, i.e., because of the operating requirements of the business, that employee is not paid on a "salary basis." If the employee is ready, willing and able to work, deductions may not be made for time when work is not available.

### **Circumstances in Which the Employer May Make Deductions from Pay**

Deductions from pay are permissible when an exempt employee is absent from work for one or more full days for personal reasons other than sickness or disability; for absences of one or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness; to offset amounts employees receive as jury or witness fees, or for military pay; or for unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions. Also, an employer is not required to pay the full salary in the initial or terminal week of employment, for penalties imposed in good faith for infractions of safety rules of major significance, or for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act. In these circumstances, either partial day or full day deductions may be made to the extent permitted by law.

### **Pay Deductions for Leaves of Absence**

The District provides a variety of leaves of absence to allow non-exempt to be absent from work. As a public employer, the District is expected to record and monitor the work that employees perform and to conform to principles of public accountability in its compensation practices. Therefore, it is the policy of the District that when a non-exempt employee is absent from work for less than one work day, the employee's pay will be reduced or the employee will be placed on leave without pay if:

- the employee has not sought permission to use paid leave for this partial-day absence;
- the employee has sought permission to use paid leave for this partial-day absence and permission has been denied;
- the employee's accrued paid leave has been exhausted; or
- the employee chooses to use leave without pay.

In each case in which a non-exempt employee is absent from work for part of a work day, a deduction from compensation will be made or the employee will be placed on leave without pay for a period of time which is equal to the employee's absence from the employee's regularly scheduled hours of work on that day.

## **Compliance**

It is District policy to comply with all applicable laws with respect to payments of wages, salaries, and benefits to employees, including the Fair Labor Standards Act, including specifically the salary basis requirements of the FLSA, and the Iowa Wage Payment Collection Act. Therefore, all administrators and supervisors are prohibited from making any improper deductions from the salaries of employees. Employees are to be aware of this policy and that the District does not allow deductions that violate federal or state law.

If an employee believes that an improper deduction has been made to the employee's salary, or that proper payment has not been made, the employee should immediately report this information in writing to the director of business affairs. Reports of improper deductions or payments will be promptly investigated. If it is determined that an improper deduction has occurred, the employee will be promptly reimbursed for any improper deduction made. This procedure is in addition to any other complaint process that may also be available to employees.

***Employee Insurance Program***

Code No. 402.5

Group, medical, dental, vision, term life insurance and long-term disability insurance is available to employees, as set forth in an employee handbook, or individual contract approved by the Board of Education. The Superintendent or designee in consultation with the Director of Business Affairs and the Director of Human Resources will select the group benefit program(s) and the insurance company or third party administrator which will provide or administer the program. For health insurance coverage, the Board of Education will offer employees who work an average of at least 30 hours per week or 130 hours per month, based on the measurement method adopted by the Board of Education, minimum essential coverage which is anticipated to be affordable and provide minimum value in accordance with the requirements of the Patient Protection and Affordable Care Act, or applicable federal law. For all other coverage eligible employees must be employed for at least 80 percent of full time for nine months or more each year. Application of this rule means classified employees must be employed at least 32 hours per week. Contributions by the District shall be determined annually for individuals and family group medical, dental, vision, term life insurance and long-term disability.

Employees who are 50 percent to 79.99 percent F.T.E. (full-time equivalent) are eligible to apply for participation in the Group Insurance Plan. Such employees will pay the total cost of insurance premiums.

Employees who have insurance coverage provided by the District and are involuntarily reduced below 80 percent F.T.E. will retain District provided insurance coverage for 12 months or as required by law.

All school employees are covered by worker's compensation insurance. This policy covers medical expenses and disability compensation for accidents occurring while the employee is on duty. (Such accidents are not covered by the school insurance program explained above.) When an employee has an accident, he/she must report this immediately to his/her supervisor.

The following rules will apply to the worker's compensation disability checks and deductions:

1. The insurance company shall notify the employee and the school business office as to the amount of payment and the dates of coverage.
2. The school business office shall reduce sick leave payments by the amount of disability compensation for worker's compensation received by the employee. Such deductions shall be based on per day payments. If worker's compensation should exceed sick leave payments, only the total amount of sick leave per day shall be deducted. In no case shall the employee receive less than provided for under the school sick leave policy.

Employees would also have the choice of choosing the worker's compensation allowance only which would put them on unpaid status with the school District. Employees would be personally responsible for medical and dental insurance premiums normally paid by the District for each month the employee is not in a paid leave status.

It is the policy of the Cedar Falls Community School District to administer a drug and alcohol testing program in compliance with federal transportation regulations.

Employees who operate school vehicles are subject to drug and alcohol testing if a Commercial Driver's License (CDL) is required to operate the school vehicle and the school vehicle either transports 16 or more persons including the driver or weighs 26,001 pounds or more. For purposes of the drug and alcohol testing program, the term "employees" includes applicants who have been offered a position to operate a school bus or other vehicle requiring a CDL.

The employees operating a school vehicle as described above are subject to pre-employment drug testing and random, reasonable suspicion, post-accident, return-to-duty, and follow-up drug and alcohol testing. Employees operating school vehicles will not perform a safety-sensitive function within four hours of using alcohol. Employees governed by this policy are subject to the drug and alcohol testing program beginning the first day they operate or are offered a position to operate school vehicles and continue to be subject to the drug and alcohol testing program as long as they may be required to perform a safety-sensitive function as it is defined in the administrative regulations. Employees with questions about the drug and alcohol testing program may contact the school district contact person, Director of Human Resources, at the James L. Robinson Administration Center, 1002 West First St, Cedar Falls, IA 50613.

Employees testing positive for alcohol or illegal drug use, and/or who otherwise refuse to submit to alcohol or drug tests, violate the terms of this policy or any administrative regulations implementing this policy, and will be subject to discipline up to and including termination from their position on the first offense. At the District's discretion, employees who violate this policy may be required to successfully participate in a substance abuse evaluation and, if recommended, a substance abuse treatment program. Employees who refuse to participate in a substance abuse evaluation or recommended treatment program may be subject to discipline up to and including termination. The District's responsibility for the cost of any evaluation, treatment or counseling will be limited to the benefits provided by the District's health insurance plan for such evaluation, treatment or counseling. **The District is required to keep records of all drug and alcohol violations by employees for a minimum of five years. Information related to drug and alcohol violations will be reported to the Federal Motor Carrier Safety Administration (FMCSA) Clearing House. Additionally the District will conduct FMCSA Clearing house queries on employees annually. Employees must provide written consent for the District to perform FMCSA Clearing house queries; employees who withhold consent will be prohibited from performing any safety sensitive function.**

Policy Title: ***Drug and Alcohol Policy and Testing Program*** Code No. ***402.12.3***  
***for Individuals Not Required to Possess a Commercial Driver's License***

**Statement of Policy**

In order to foster an appropriate environment for the education of students and to protect the health and safety of employees, it is the policy of the Cedar Falls Community School District that the following conduct is prohibited: the use, sale, offering for sale, distribution, manufacturing, or possession of illegal drugs, controlled substances, imitation controlled substances or counterfeit controlled substances in the workplace;

- (1) any improper use of "legal" or physician-prescribed drugs in the workplace,
- (2) the use, sale, offering for sale, or possession of alcoholic liquor (beer, wine, or alcohol) in the workplace, and
- (3) being under the influence of illegal drugs or controlled substances, alcoholic liquor (beer, wine, or alcohol) or improperly used prescription drugs in the workplace.

**Application**

The portion of this policy which pertain to testing (Sections C through M) apply to all individuals who are not required to possess a commercial driver's license in order to perform the duties of their position, with the exception of Section E, Pre-employment Testing, which shall not apply to substitute employees, temporary or seasonal employees.

Unless otherwise specified, this policy applies to all District employees, including part-time employees.

This policy applies to off-site lunch periods or breaks when an employee is scheduled to return to work. Visitors, vendors, and contractor employees are governed by this policy while on District premises and will not be permitted to conduct business if found to be in violation of this policy.

**Testing Provisions**

The District will conduct drug testing when the District makes an offer of employment to individuals who are not required to possess a commercial driver's license in order to perform the duties of their position.

The District may conduct drug and alcohol testing of individuals who are not required to possess a commercial driver's license in order to perform the duties of their position under the following circumstances:

- Where there is reasonable suspicion of the use of illegal drugs, controlled substances or alcohol,
- When investigating certain workplace accidents, and/or injuries, and
- During or after rehabilitation.

### **Definitions**

- (1) As used in this policy, the term “controlled substance” means any substance specified in Schedule I, II, III, IV, or V of the federal Controlled Substances Act, 21 U.S.C. 801 et. seq. and published at 21 CFR 1308.11 and 21 CFR 1308.12, and any substance defined as a “controlled substance” by federal or state law.
- (2) Workplace is defined as the site for the performance of work done in the capacity as an employee. This includes school District facilities, other school premises or school District vehicles. Workplace also includes non-school property if the employee is at any school sponsored, school-approved or school-related event, activity or function including, but not limited to, field trips and athletic events where students are under the control of the District or where the employee is engaged in school business.
- (3) Alcohol means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohol including methyl or isopropyl alcohol. The term “alcohol” may include, but is not limited to, beer, wine, liquor, other alcoholic beverages, and medicines containing alcohol (unless the packaging seal is unbroken).

### **Pre-Employment Testing**

Applicants for employment will undergo drug testing as part of the physical requirements prior to commencement of their duties for employment. The testing will be conducted at a laboratory or testing facility approved under rules adopted by the Department of Health and specified by the District. If the test of an individual results in a Medical Review Officer (MRO)-verified positive test for the use of controlled substances, the applicant will not be eligible for employment.

### **Reasonable Suspicion Testing**

Any employee who is reasonably suspected of being impaired by or under the influence of a controlled substance or alcohol will be suspended from their job duties pending an investigation and verification of their condition. Employees who are reasonably suspected of being impaired by or under the influence of a controlled substance or alcohol will not be permitted to drive a motor vehicle after they have been suspended. If the employee has driven a motor vehicle to work, the employee must either make arrangements with another individual to drive their vehicle or must make arrangements for alternative transportation.

Employees may be subject to testing when the superintendent or designee has reason to believe that an employee is using or has used alcohol or other drugs in violation of the District’s written policy drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. For purposes of this provision, facts and inferences may be based upon, but are not limited to, any of the following:

- Observable phenomena while at work such as direct observation of alcohol or drug use or abuse or of the physical symptoms or manifestations of being impaired due to alcohol or other drug use.
- Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
- A report of alcohol or other drug use provided by a reliable and credible source.
- Evidence that an individual has tampered with any drug or alcohol test during the individual's employment with the District.
- Evidence that the employee has manufactured, sold, distributed, solicited, possessed, used, or transferred drugs while working or while on the District's premises or while operating the District's vehicle, machinery, or equipment.

Reasonable suspicion testing will only be required during, just before, or just after the period of the day when the employee is engaged in work functions.

Employees who are required to submit to reasonable suspicion testing will be suspended from their job duties pending an investigation and the report of the tests. If the test of the employee produces an alcohol concentration result of less than 0.04 and/or Medical Review Officer (MRO) verified negative test result for the use of controlled substances, then the period of suspension will be with pay. If the test of the employee leads to an MRO-verified positive test result for the use of controlled substances or an alcohol concentration of 0.04 or greater, then the period of suspension will be without pay and further disciplinary action may be taken up to and including termination of employment.

### **Post-Injury Testing**

Employees may be subject to testing if they have suffered a work-related injury for which a report could be required under Iowa Code Chapter 85, Workers Compensation. Iowa Code Section 85.16(2) provides that worker's compensation benefits will not be allowed for an injury which was caused by the employee's intoxication, if the intoxication was a substantial factor in causing the injury. In determining whether an employee will be required to submit to a post-injury drug test, the District will apply the standards set forth in Part F of this policy ("Reasonable Suspicion Testing").

The employee is permitted to obtain necessary medical attention following an accident, to leave the scene of an accident for the period necessary to obtain necessary emergency medical care, but the employee will be subject to post-injury testing and must remain readily available for testing or the employee will be deemed to have refused to submit to testing.

Alcohol tests will be administered as soon as practicable, but no later than eight hours after the injury. Tests for illegal drugs or controlled substances will be administered as soon as practicable, but no later than 32 hours after the injury.

### **Rehabilitation**

Employees who have tested positive on a drug or alcohol test and whose employment has not been terminated will be subject to testing during, and after completion of, drug or alcohol rehabilitation. The number, type, and frequency of follow-up tests will be as directed by the substance abuse professional and, unless otherwise recommended, will consist of at least six tests in the first 12 months following the employee's return to duty.

### **Cooperation Required**

Any individual who refuses to submit to an alcohol or controlled substance test, who provides false information in connection with a test, or who attempts to falsify test results through tampering, contamination, adulteration, or substitution will be subject to disciplinary action. The phrase "refuses to submit to an alcohol or controlled substance test" means that the individual:

- Fails to provide adequate breath for testing without a valid medical explanation after he/she has received notice of the requirement for breath testing, or
- Fails to provide adequate urine for controlled substance testing without a valid medical explanation after he/she has received notice of the requirement for urine testing, or
- Engages in conduct that clearly obstructs the testing process.

All employees are encouraged to make use of available resources for treatment of substance abuse problems. Under certain circumstances, employees may be referred for treatment for substance abuse. An employee will be subject to disciplinary action for:

- A failure or refusal to submit to an evaluation.
- A failure or refusal to undergo treatment recommended as a result of an evaluation.
- Withdrawal from or a failure to satisfactorily complete the treatment program recommended as a result of an evaluation.
- Withdrawal from or a failure to satisfactorily participate in an aftercare program, if aftercare is prescribed as a part of treatment.

Testing will be conducted in a manner to assure the highest degree of accuracy and reliability by using techniques and laboratory facilities which meet the requirements of the Iowa Department of Health.

### **Confirmatory Testing**

If the result of the initial test for alcohol is positive or if the result of the initial test is positive for the presence of a controlled substance, a confirmatory test must be performed. The confirmatory test will use a different chemical process than was used in the initial screen for drugs or alcohol. The confirmatory drug or alcohol test will be a chromatographic technique such as gas chromatography/mass spectrometry, or another comparably reliable analytical method.

### **Employee Requested Testing**

If a confirmed positive drug or alcohol test for a current employee is reported to the District by the Medical Review Officer (MRO), the District will notify the employee in writing by certified mail, return receipt requested, of the results of the test, the employee's right to request and obtain a confirmatory test of the second sample collected at an approved laboratory of the employee's choice, and the fee payable by the employee to the District for reimbursement of expenses concerning the test. The fee charged an employee will be an amount that represents the costs associated with conducting the second confirmatory test, which will be consistent with the District's cost for conducting the initial confirmatory test on an employee's sample.

If the employee, in person or by certified mail, return receipt requested, requests a second confirmatory test, identifies an approved laboratory to conduct the test, and pays the District the fee for the test within seven days from the date the District mails by certified mail, return receipt requested, the written notice to the employee of the employee's right to request a test, a second confirmatory test will be conducted at the laboratory chosen by the employee. The results of the second confirmatory test will be reported to the medical review officer who reviewed the initial confirmatory test results and the medical review officer will review the results and issue a report to the District on whether the results of the second confirmatory test confirmed the initial confirmatory test as to the presence of a specific drug or alcohol. If the results of the second test do not confirm the results of the initial confirmatory test, the District will reimburse the employee for the fee paid by the employee for the second test and the initial confirmatory test will not be considered a confirmed positive drug or alcohol test for purposes of taking disciplinary action.

If a confirmed positive drug or alcohol test for a prospective employee is reported to the District by the medical review officer, the District will notify the prospective employee in writing of the results of the test, of the name and address of the medical review officer who made the report, and of the opportunity for the prospective employee to request records.

## **Consequences for Violations**

### Post Offer/Pre Employment:

If the test of an individual who is applicant for employment results in a Medical Review Officer (MRO)-verified positive test for the use of controlled substances ~~or alcohol~~, the applicant will not be eligible for employment.

### Employees:

Disciplinary action, including termination of employment, may be taken against employees for any of the following reasons:

- A violation of any provision of Board of Education Policy.
- If the test of the employee results in a Medical Review Officer (MRO)-verified positive test for the use of controlled substances or an alcohol concentration of 0.04 or greater.
- A failure or refusal to submit to testing.
- Engages in conduct that clearly obstructs the testing process.
- A failure or refusal to submit to an evaluation.
- A failure or refusal to undergo treatment recommended as a result of an evaluation.
- Withdrawal from or a failure to satisfactorily complete the treatment program recommended as a result of an evaluation.
- Withdrawal from or a failure to satisfactorily participate in an aftercare program, if aftercare is prescribed as a part of treatment.

## **Payment for Evaluation and Treatment**

The District's responsibility for the cost of any evaluation, treatment, or counseling will be limited to the benefits provided by the District's health insurance plan for such evaluation, treatment, or counseling.

No employee shall engage in any outside employment or activity which is in conflict with the employee's official duties and responsibilities. Situations in which an unacceptable conflict of interest shall be deemed to exist shall include, but not be limited to:

- (1) The outside employment or activity involves the use of the District's time, facilities, equipment and supplies or the use of the District badge, uniform, business card or other evidence of office to give the employee or member of the employee's immediate family an advantage or pecuniary benefit that is not available to other similarly situated employees or classes of members of the general public. For purposes of this section, a person is not "similarly situated" merely by being related to an employee.
- (2) The outside employment or activity involves the receipt of, promise of, or acceptance of more or other consideration by the employee or a member of the employee's immediate family from anyone other than the District for the performance of any act that the employee would be required or expected to perform as part of the employee's regular duties or during the hours in which the employee performs service for the District.
- (3) The outside employment or activity is subject to the official control, inspection, review, audit or enforcement authority of the employee during the performance of the employee's employment.

If the outside employment or activity is employment or activity in (1) or (2) above, the employee must cease the employment or activity. If the activity or employment falls under (3), then the employee must:

- Cease the outside employment or activity; or
- Publicly disclose the existence of the conflict and refrain from taking any official action or performing any official duty that would detrimentally affect or create a benefit for the outside employment or activity. Official action or official duty includes, but is not limited to, participating in any vote, taking affirmative action to influence any vote, or providing any other official service or thing that is not available generally to members of the public in order to further the interests of the outside employment or activity.

When procurement is supported by Federal Child Nutrition funds, employees will not participate in the selection, award, or administration of a contract if there is a real or apparent conflict of interest in the contract. Contract, for purposes of this paragraph, includes a contract where the employee, employee's immediate family, partner, or a non-school district employer of these individuals is a party to the contract.

It shall be the responsibility of each employee to be aware of an actual or potential conflict of interest. It shall also be the responsibility of each employee to take the action necessary to eliminate such a conflict of interest. Should a

conflict of interest arise, an employee should not participate in any action relating to the issue from which the conflict arose.

Except as otherwise provided in this policy, no employee of the District or member of an employee's immediate family (spouse or dependent children) shall solicit, accept, or receive any gift or series of gifts, nor shall any employee of the District accept an honorarium, if the donor is or is seeking to be a party to one or any combination of sales, purchases, leases, or contracts with the District or if the donor will personally be or is the agent of a person who will be directly or substantially affected financially by the performance or nonperformance of the employee's official duty in a way that is greater than the effect on the public generally.

A "gift" for purposes of this policy shall include anything of value in return for which legal consideration of equal or greater value is not given. However, the following gifts may be allowed:

- (1) a contribution to a candidate; or
- (2) informational material relevant to official functions, such as books, pamphlets, reports, documents, periodicals or other information that is recorded in a written audio or visual format; or
- (3) anything received from a person related within the fourth degree by kinship or marriage, unless the donor is acting as an agent or intermediary; or
- (4) an inheritance; or
- (5) anything available or distributed free of charge to the public generally; or
- (6) items received from a bona fide charitable, professional, educational, or business organization to which the employee belongs as a dues paying member, if the items are given to all members of the organization without regard to the individual member's status or positions held outside of the organization and if the dues paid are not inconsequential when compared to the items received; or
- (7) actual expenses for food, beverages, registration, travel, and lodging for a meeting which is given in return for the employee's participation in a panel or speaking engagement at the meeting when the expenses relate directly to the day(s) on which the employee has participation or presentation responsibilities; or
- (8) plaques or items of negligible resale value given as recognition for public services; or
- (9) food and beverages provided at a meal that is part of a bona fide event or program at which the recipient is being honored for public service; or
- (10) nonmonetary items with a value of \$3.00 or less received from one donor during one calendar day; or

- (11) items or services solicited by or given to, for purposes of a business or educational meeting, a state, national, or regional government organization in which the District is a member, or solicited by or given for purposes of a business or educational meeting, a state, national, or regional government organization whose membership and officers are primarily composed of state or local government officials or employees; or
- (12) items or services received as part of a regularly scheduled event that is part of a business or educational conference, seminar, or other meeting that is sponsored and directed by any state, national, or regional organization in which the District is a member, or received at such an event by members or representatives of members of state, national, or regional government organizations whose membership and officers are primarily comprised of state or local government officials or employees; or
- (13) funeral flowers or memorials to a church or nonprofit organization; or
- (14) gifts for an employee's wedding or 25<sup>th</sup> or 50<sup>th</sup> wedding anniversary; or
- (15) payment of salary or expenses by the District for the cost of attending a meeting of a subunit of an agency when the employee whose expenses are being paid serves on a Board of Education, commission, committee, council or other subunit of the agency and the employee is not entitled to receive compensation or reimbursement of expenses from the District for attending the meeting; or
- (16) gifts other than food, beverages, travel and lodging received by an employee which are received from a person who is a citizen of a country other than the United States and is given during a ceremonial presentation or as a result of a custom of the other country and is of personal value only to the recipient; or
- (17) actual registration costs for informational meetings or sessions which assist the employee in the performance of the person's official functions. The costs of food, drink, lodging, and travel are not "registration costs" under this paragraph. Meetings or sessions which the employee attends for personal or professional licensing purposes are not "informational meetings or sessions" under this paragraph.

An otherwise prohibited nonmonetary gift may be accepted if the gift is donated within thirty days to a public body, the department of administrative services, or a bona fide educational or charitable organization as provided by law.

An "honorarium" for purposes of this policy means anything of value that is accepted by, or on behalf of, an employee of the District, as consideration for an appearance, speech, or article. However, the following "honoraria" may be accepted:

- (1) payment of actual expenses for registration, food, beverages, travel, and lodging when the expenses relate directly to the day(s) on which the employee has participation or presentation responsibilities; or
- (2) a non-monetary item if the employee donates the item within 30 days to a public body, a bona fide educational or charitable organization, or the department of administrative services of the State of Iowa; or
- (3) a payment made to the employee for services rendered as part of the employee's private business, trade or profession if the payment is commensurate with the actual services rendered and is not made because of the person's status as a public official or public employee but, rather, because of the employee's special expertise or other qualifications.

This policy shall not prohibit District employees from receiving gifts from or on behalf of students or groups of students for special occasions such as holidays, retirement, end of sessions, or periods of illness, *provided* the gift is not of excessive value and is not given to influence the employee's judgment in professional or official matters, but rather is given as a token of appreciation.

It shall be the policy of the District to encourage students and their parents to donate an item for the District or for a classroom or activity in lieu of donating gifts personally to an employee.

It is the intent of the Board of Education that District officials and employees be extremely cautious and circumspect about accepting any gratuity, favor, or gift. The acceptance of personal benefits raises suspicions that tend to undermine public trust.

The Cedar Falls Community School District expects its employees to model responsible and appropriate conduct, both at school and away from school. Employees' use of social media forms, including text, audio, video, images, podcasts, social networking websites including, but not limited to Facebook, Twitter, Instagram and similar sites now or in the future, and personal web pages or blogs, and electronic messaging, are subject to the normal requirements of legal and ethical behavior within the District community. Employees should be guided by applicable laws, District policies, and sound professional judgment when using social media.

**District / Professional Use of Social Media**

An employee using social media in his or her professional capacity as an employee of the District and/or pursuant to his or her official duties shall be honest about his or her identity, and be thoughtful and respectful when submitting or posting messages. In addition, employees using social media for such purposes should adhere to the following guidelines:

- An employee must identify himself or herself and position held with the District. Never create an alias or be anonymous.
- The "cfschools.org" address attached to an employee's name and/or email implies that he/she is acting on behalf of the District and, as such, employees are expected to conduct themselves in a professional manner.
- Any information shared via social media regarding the business of the District, whether using personal or District equipment, may be considered a public record. All information communicated through or maintained on the District's system is subject to being monitored or inspected at any time.
- Employees must comply with District policy on *Use of Information Resources*.
- Absent parent permission, staff members may not share, send, or post pictures, text messages, e-mails or other material that personally identifies District students. Employees may not use images of students, e-mails, or other personally-identifiable student information for personal gain, profit, or any other non-school related purpose.
- Staff members shall not submit or post confidential information about the District, its students, alumni, or employees; one must assume that most information about a student is protected from disclosure by both federal law (the Family Educational Rights and Privacy Act) and state law (Iowa Code Section 22.7(1)). Disclosures of confidential or protected information may result in liability for invasion of privacy or defamation.

- By their very nature, social media forms such as social networking websites and web pages or blogs are not truly private. To minimize unintended disclosure of information, staff must set and maintain social networking privacy settings at the most restrictive level.
- Internet search engines can find information years after it was originally posted. Comments can be forwarded or copied and archival systems can save information even if a post was deleted; staff must assume that a message or image which is posted or communicated can never be completely deleted.

### **Personal Use of Social Media**

The District recognizes the prevalence of social media used for personal purposes and acknowledges that its employees have the right under the First Amendment to speak out on matters of public concern. However, the District also has the right to regulate the speech of employees when that speech in certain circumstances, such as the personal use of social media, interferes with the employee's ability to perform his or her duties or affects the District's ability to efficiently provide educational services. Accordingly, it is essential that employees conduct themselves in such a way that their personal use of social media does not adversely affect their position with the District. In addition, employees using social media for such purposes should adhere to the following guidelines:

- If an employee is participating on a social networking website, web page, and/or blog for personal use, the employee may identify himself or herself as an employee of the District. However, the employee must state that he/she is expressing personal opinions, not those of the District.
- If identifying oneself as a District employee, remember that one's actions will reflect not only on you, but also on the District.
- Staff shall never pretend to be someone else and submit or post information concerning the District.
- Staff shall not use the District's school logos or mascots, photographs, or any other such graphic representations or images, or link any personal page on a social networking website, or other personal web page to any District website or material.
- If submitting or posting information or comments that are not related to the District, a staff member's activities may still result in professional repercussions. Such actions include, but are not limited to, posting of photographs or information which violates federal or state law and regulations and/or District policies and rules.

- While an individual does not have control of what others may submit or post on social networking websites; staff members must be aware that conduct in one's private life may affect one's professional life. Be vigilant about what others post about you or on your page and, if necessary, take steps to remove comments that pose a risk to your status with the District.
- It could be viewed as inappropriate for District employees to communicate with current students enrolled in the District through social media, such as through electronic messaging or any social networking website. This includes becoming "friends" on such sites. Employees should refrain from engaging in social interaction with current students enrolled in the District through personal pages on social networking websites and other personal web pages or electronic messaging.
  - Employees may use professional web pages that are created through the District and used solely for school-related purposes. Notify parents of intentions to use this media to communicate with students and the intended purpose of such communications. All ethical expectations for appropriate employee/student relationships must be followed.
- Staff members shall not provide personal contact information to students currently enrolled in the District. Only provide an official District email address and/or telephone number as a way to communicate with students or parents regarding District business.
- During the work day, participating on any personal social media, regardless of whether such participation is through District or personal equipment shall be limited to professional purposes.

### **Disciplinary Action**

Employees who fail to comply with this policy or who make other inappropriate use of social media may be subject to disciplinary action, up to and including discharge. If an employee has any questions about the application of this policy, he/she should consult his or her supervisor.

The Board believes the District has an interest in maintaining an orderly and effective work environment while balancing employees First Amendment rights to freedom of expression and diverse viewpoints and beliefs. When employees speak within their official capacity, their expression represents the District and may be regulated. The First Amendment protects a public employee's speech when the employee is speaking as an individual citizen on a matter of public concern. Even so, employee expression that has an adverse impact on district operations and/or negatively impacts an employee's ability to perform their job for the District may still result in disciplinary action up to and including termination.

Employees who use social media platforms are encouraged to remember that the school community may not be able to separate employees as private citizens, from their role within the district. Employee expression on social media platforms that interferes with the district's operations or prevents the District from functioning efficiently and effectively may be subject to discipline up to and including termination.

A District employee who acts to protect a student for engaging in free expression or who refuses to infringe on students engaging in free expression; and who is acting within the scope of their professional ethics will not be retaliated against or face any adverse employment action based on their behavior provided that expression is otherwise permitted by law and board policy.

If the Board or court finds an employee that is subject to licensure, certification or authorization by the Board of Educational Examiners discriminated against a student or other co-employee, the Board will refer the employee to the Board of Educational Examiners for additional proceedings as required by law and which may result in discipline up to and including termination.

Iowa law requires licensed employees and other mandatory reporters to report to the Iowa Department of Human Services (DHS) instances of suspected child abuse which they become aware of within the scope of their professional practice. A “child” is defined as a person under 18 years of age.

The law further specifies that a licensed employee or other mandatory reporter who knowingly or willfully fails to report a suspected case of child abuse is guilty of a simple misdemeanor and that the licensed employee may be subject to civil liability for damages caused by the failure to report.

Employees participating in good faith in the making of a report or in a judicial proceeding that may result from the report are immune from liability as provided by law.

**Child Abuse Defined**

“Child abuse” is defined as:

- Any nonaccidental physical injury, or injury which is at variance with the history given of it, suffered by a child as the result of the acts or omissions of a person responsible for the care of the child.
- Any mental injury to a child’s intellectual or psychological capacity as evidenced by an observable and substantial impairment in the child’s ability to function within the child’s normal range of performance and behavior as the result of the acts or omissions of a person responsible for the care of the child, if the impairment is diagnosed and confirmed by a licensed physician or qualified mental health professional.
- The commission of a sexual offense with or to a child as a result of the acts of omissions of the person responsible for the care of the child. *(Sexual offense includes sexual abuse, incest, and sexual exploitation of a minor.)*
- The failure on the part of a person responsible for the care of a child to provide for the adequate food, shelter, clothing or other care necessary for the child’s welfare when financially able to do so, or when offered financial or other reasonable means to do so. A parent or guardian legitimately practicing religious beliefs who does not provide specified medical treatment for a child for that reason alone shall not be considered abusing the child.

- The acts or omissions of a person responsible for the care of a child which allow, permit or encourage the child to engage in acts prohibited pursuant to Iowa Code section 725.1 (which deals with prostitution).
- An illegal drug is present in a child's body as a direct and foreseeable consequence of the acts or omissions of the person responsible for the care of the child.
- The person responsible for the care of a child has, in the presence of the child, manufactured a dangerous substance, or in the presence of the child possesses a product containing ephedrine, its salts, optical isomers, salts of optical isomers, or pseudoephedrine, or its salts, with the intent to use the product as a precursor or an intermediary to a dangerous substance.
- The commission of bestiality in the presence of a minor by a person who resides in a home with a child, as a result of the acts or omissions of a person responsible for the care of the child.
- Cohabitation by a person responsible for the care of the child with a person on the sex offender registry, unless the person responsible for the care of the child is married to or the parent of the registered sex offender.
- Any other circumstances as defined by law.

Teachers in public schools are not "persons responsible for the care of the child" under this definition. However, a teacher who abuses a child is subject to civil, criminal, and professional sanctions.

### **Reporting Procedures**

Licensed employees and other mandatory reporters are required to report, either orally or in writing, within 24 hours to the Iowa Department of Human Services when the employee reasonably believes from knowledge obtained within the scope of employment that a child has suffered from abuse. If the licensed employee or other mandatory reporter has reason to believe that immediate protection for the child is advisable, the employee shall also make an oral report to an appropriate law enforcement agency. Within 48 hours of an oral report, a written report must be filed with the DHS.

District employees shall report orally to the following:

Department of Human Services Child Protection Investigation Unit (Phone: 291-4441 or 1-800-362-2178 for Black Hawk County only.)

Each report should contain as much of the following information as can be obtained within the time limit. However, the law specifies a report will be considered valid even if it does not contain all of the information.

- name, age, and home address of the child,
- name and home address of parents, guardians or other persons believed to be responsible for care of the child,
- the child's present whereabouts if not the same as the parent's or other person's home address,
- description of nature and extent of injuries, including evidence of previous injuries,
- name, age, and condition of other children in the same home,
- any other information considered helpful in establishing the cause of the injury to the child, the identity of the person(s) responsible for the injury, or in providing assistance to the child, and
- name and address of the person making the report.

### **Cooperation**

It is not the responsibility of employees to prove that a student has been abused or neglected. Employees should not take it upon themselves to investigate the case or contact the family of the child. The DHS is responsible to investigate the incident of alleged abuse. All employees shall cooperate in good faith with the Department of Human Services in an investigation. The Department of Human Services has the right to come to the school where the student named in a report is located. The administrators must cooperate with the investigation by providing confidential access to the student named in the report and to other children for the purpose of interviewing the child(ren) to obtain relevant information.

Generally, transportation of students for school purposes shall be in a school bus owned by the District and driven by a District school bus driver. In some cases, it may be more economical or efficient for the District to allow other employees or volunteers of the District to transport students in their personal motor vehicles or in a school district motor vehicle other than a school bus. Students may be transported in such vehicles by school employees or volunteers to activity events in which they are participants, or to their homes in case of illness or other emergency situations. In such situations, the employee or volunteer must have a valid Iowa driver's license and automobile liability insurance as required by law, and the vehicle should be in good operating condition and meet all applicable safety requirements.

School district employees or volunteers who transport students for school purposes in their personal motor vehicles or in school district motor vehicles must have the permission of the superintendent or designee. Where practicable, written permission of the parents/guardians of students who will be transported in such vehicles by school employees or volunteers will be obtained.

The District will advise parents/guardians and students in advance if transportation will not be provided by the District for a particular activity. If transportation will not be provided by the District, then the responsibility and corresponding liability for any transportation to and from the activity shall rest solely with the students and their parents/guardians.

*Communicable Diseases – Employees*

Code No. **405.1**

Employees with a communicable disease will be allowed to perform their customary employment duties provided they are able to perform the essential functions of their position and their presence does not create a substantial risk of illness or transmission or other substantial health or safety risk to students or other employees. The term “communicable disease” will mean an infectious or contagious disease spread from person to person, or animal to person, or as defined by law.

Prevention and control of communicable diseases is included in the school District’s Bloodborne Pathogens Exposure Control Plan. The procedures will include scope and application, definitions, exposure control, methods of compliance, universal precautions, vaccination, post-exposure evaluation, follow-up, communication of hazards to employees and record keeping. This plan is reviewed annually by the superintendent or designee and provider of nursing services. All staff members should practice hygienic principles designed to protect themselves and others from infection.

The health risk to immunodepressed employees is determined by their personal physician. The health risk to others in the school district environment from the presence of an employee with a communicable disease is determined on a case-by-case basis by the employee’s personal physician, a physician chosen by the school District, or public health officials. Employees with communicable diseases may be excluded from the school District environment for the period of time that their conditions endanger the health or safety of others or they are physically unable to perform assigned tasks.

Health data of an employee is confidential and will not be disclosed to third parties except as provided by law. Employee medical records are kept in a file separate from their personal file.

An employee who has a communicable disease which creates a substantial risk to others in the school District environment should report the condition to the superintendent or designee. It is the responsibility of the superintendent or designee, in conjunction with the provider of nursing services, to develop administrative regulations stating the procedures for dealing with employees with a communicable disease.
