Re: Administrator Compensation for 2018-19
Date: June 7, 2018

Due to a very low (1.0%) increase in supplemental state aid for the 2018-19 school year, it is my recommendation to make no adjustments in administrator (less Superintendent) salaries for next school year. This will be an overall group salary increase of \$0.00. All administrators' monthly contribution will be switched to the new Select 750 health insurance plan at \$70.00 per month. Total package increase (including IPERS and insurance benefits) is 0.64%.
