

Learning Can't Wait! Every Gift Counts!

**"I'm grateful for your commitment
to my children!"**

Karis, Mom to Reese '22, Jordan '25 and Cameron '32

***"Thank you Cedar Falls Schools Foundation donors!
I appreciate knowing your donations are supporting our
teachers in so many valuable ways. When I learned our tax
dollars didn't pay for all the programs that make for an
exceptional education, I decided to become a CFSF donor myself.
I give what I can because I'm certain that every one of my gifts
will be used toward a quality education for our children.
Please join me now, because learning can't wait!"***

Karis said it well. No matter what amount you give,
your gift confirms that you value every student and the
educational opportunities they receive.
Your annual gift is critical in so many ways ...
