TROY E. BECKER, Assoc. Principal/Activities Director

Dear Board of Directors,

I would like to take this opportunity to request full consideration for graduation from Cedar Falls High School at the conclusion of my 11th grade year of High School. I would like to participate in commencement services with the Cedar Falls graduating class of 2023.

I have found my years at Cedar Falls Schools to be fulfilling and I would like to take this early opportunity to pursue my career passions. I plan to complete my CNA certification through the Cedar Falls CAPS partnership program in the Spring of 2023. In completion of this certification, I would then like to continue my education next year as a full time college student. In addition, I plan to work as a CNA in the meantime. Our health care system is in need, and I am excited to have this opportunity to jump into a profession early in life.

I have worked closely with my counselor Mrs. Carrie Dieken on my graduation requirements, and the following will be completed at the end of semester 2, May 2023:

English- 8.0 credits

Math- 6.0 credits

Science- 6.0 credits (Earth Sci, Phy Sci, Biology, Chemistry, Physics)

Social Studies- 6.0 credits (US History 9, US History II, Psychology, AP HUG, Government)

Financial Literacy-1.0 credit

Practical Arts- 2.0 credits

Health- .5 credit

Electives- 13.5

PE- 2.0 credits and EX

Total= 45 credits

Thank you again for this opportunity and consideration of this important milestone. Again, the experience at Cedar Falls schools and High School have well prepared me for a professional career that I look forward to.

Sincerely,

Kaydence Turner, 11th grade student CFHS
