

Flying High!

Dalton and Gabe's Super Readers of Summer 2019

Who Can Participate?

Our summer reading program is for all students and families at Cedar Heights Elementary and North Cedar Elementary. Younger siblings and parents are encouraged to join the fun! If you have friends or family visiting from out of town, bring them along!

Book checkout is limited to current and future Cedar Heights and North Cedar students. Students are allowed to check out 2 books and younger siblings can take one.

Is there a Schedule for the Evening?

Absolutely! While our schedule is pretty relaxed, we do have a few things that are set.

- 6:00-6:30—Story time and checkout for incoming Kindergarteners (Families and older students can checkout and read during this time)
- 6:30-8:00—Open checkout for all future and current Cedar Heights and North Cedar students
- 7:00-7:30—Read aloud for all ages (Checkout continues through story time)

When is Summer Reading?

Summer Reading will be on Tuesday evenings throughout the summer on the following dates:

June 11, 18, 25

July 2, 16, 30

August 6, 13

What Can I Expect?

Expect a very relaxed atmosphere and a whole lot of fun! Our program is designed for flexibility because we understand how busy schedules can get in the summer. Your family is welcome to stay for the entire time, or you can just come in for a bit to check out books on your way to your next adventure.

We have read alouds for all ages as well as puzzles and activities for students and families. There are all sorts of places for parents and students to read together as well. Our librarians, Tiffany Ahrens and Darla Striegel, will be available for book recommendations and stories on demand.

Who Can I Contact if I Have More Questions?

Tiffany Ahrens and Darla Striegel, teacher-librarians at Cedar Heights and North Cedar are running the program. You can reach Tiffany by phone at 319-553-3000 ext. 2891 or email at Tiffany.Ahrens@cfschools.org. Darla can be reached by email at Darla.Striegel@cfschools.org.
