Re: Administrator Compensation for 2017-18
Date: June 8, 2017

It is my recommendation to adjust administrator (less Superintendent) salary compensation by 2.08%. This will be an overall group salary increase of \$58,122. All administrators' monthly contribution to Select II health insurance plan will increase to \$70.00 per month. Total package increase with insurance benefits is 2.50%.
