A NOTE FROM MR. BOEVERS:

We have had a busy start of the year at Peet Junior High. On Thursday, we started the day with 7th graders and new 8th & 9th graders. We spent time helping those students get acclimated to the building and made sure they were able to get logged on to chromebooks. All remaining students started at 9:30. Students went through their normal Monday schedule. During lunch, students attended a 20 minute assembly where they heard from students on activities offered throughout the year and learned about the Tiger Way. Mr. Boevers and Mr. Urbanek also had short messages for the students. Teachers met in the library following the school day yesterday, and they were energized! We are excited to have kids back in the building.

Today we resume with a normal schedule. Students will attend all of their classes, and meet with teachers. Our Peet faculty and staff are excited to kickoff the new school year. Most people do not get to experience a feeling of starting over each year, getting to do that with kids is one of the rewards of being an educator.

TIGER WAY – DAY ONE:

Tiger Way was introduced to all our students at lunch assemblies on the first day of school. The Tiger Way is a set of clearly defined expectations to describe the culture and behavior here at Peet. We believe in "Building Relationships and Maximizing Learning" and the Tiger Way is the foundation for realizing this vision. However, it is how we live, not a list of rules - not a list of do's and don'ts or shoulds and should nots. We live the Tiger Way out at Peet by respecting ourselves, others, and our school.

- Smile back - it is not that hard.
- Be Kind - it could be hard
- Inspire someone - it will be hard
- Stand out - it is hard

Tiger Way is the WAY at Peet Junior High!

PICTURE DAYS:

School pictures will be taken on Thursday, August 30 (B day) and Friday, August 31 (A day) during PE classes. All students, regardless of picture purchase, will be photographed **free** for school records and the memory book. Picture order forms can be picked up in the front office. You may also purchase pictures online at <https://my.lifetouch.com/mylifetouch/#/>. Enter picture ID code: **BN608068Q0**, enter student first and last name and grade level. If ordering, payment for pictures is required at the time of photographing. Make checks payable to LifeTouch. Money back guarantee.

AFTER SCHOOL PICK-UP:

Students that are not involved in after school activities will need to leave school grounds by 3:15. It is important that they are picked up, riding the bus or walking home by 3:15pm, because we do not have supervision for those students. If you have questions, please call Mr. Boevers.

A-B DAY CALENDAR:

Click [HERE](#) to view the A-B Day Calendar for the 2018-19 school year. You will notice November 1 & 5 will both be A days, November 16 & 19 are both B days, and January 10 & 14 are both B days. Another change to note is in the case of a snow day, we will make up the day missed the following day. Example: February 4th is a B day and say a snow day is called on this day, when we return on February 5th, that will be a B day (not an A day that was previously scheduled). We will continue in that new rotation the remaining of the school year, unless another snow day is called. Updates to the A-B day calendar will be found on all district websites at the top (see image below on where to see if it is an A or B day).

Changes to this years A-B day schedule have been made to keep all buildings aligned with the elementary rotations. If you have questions, please contact Mr. Boevers.

Today is a B Day.
