

## New Drop Off/Pick Up Procedures for Fern Avenue Closure

Beginning after school dismissal on Friday, September 22, Fern Avenue will close to accommodate the start of construction to the front of our building. Monday, September 25, morning's drop off will mark the start of our new pick-up/drop-off procedures. Please see the map below for details on how traffic will flow during the Fern Avenue closure. We will have multiple staff helping assist with the change in traffic patterns during the first days of this transition. Thank you for your patience as we make progress on construction! Should you have any questions, please contact the North Cedar office at 319-553-2837.

### Drop Off/Pick Up Procedures

When dropping off or picking up students, please use the route highlighted by the blue arrows. Families should use the paved parking lot next to Cedar Valley Child Care and Preschool to pull through, turn left onto Fern Avenue, and pull up into the "old" bus lane with the yellow curb. **Students should only exit vehicles when they are along the yellow curb. There is no parking in the drop off zone along the yellow curb.**  
If you need to park and enter the building, please park on the street.

### Accessing the Building

The only doors accessible for student and family entrance will be the far North doors located off Lantz Avenue. All doors facing Fern Avenue will be locked for entry during the day and will be considered emergency exits only.

### Bus Lane

The bus lane will move to the North end of the building, on the South side of Lantz Avenue. **Absolutely no parking or stopping will be allowed in the bus lane.**

### Church Parking Lot

As a reminder, the Cedar Bible Church parking lot is private property. No school traffic or parking is allowed in that lot without a permit. Thank you for helping us be good neighbors!

### Green Avenue

Green Avenue will become a two way street while Fern Avenue is closed. Parking will be permitted on the South side of the street only.
