Educating each student to be a lifelong learner and a caring, responsible citizen

Dear Cedar Falls Families,

We are planning ahead for the 2017-18 school year and are pleased to again be able to offer a 3-year-old Headstart Preschool Program at the Southdale Center. Head Start provides developmentally appropriate learning activities from experienced staff. Health services, nutritious snacks and meals are provided. Participants will need to be three years old by September 15th, 2017. The Head Start program is free to all families and children who are income eligible. Please see the income guidelines on the back of this letter.

We need your help to plan ahead! If you, or someone you know, has a child who would qualify for this program, please fill out the bottom of this sheet and return it to your child's school by April 30. You may also turn it in at the district office at 1002 West First St. Thank you for your response. This information will help us with our planning for the fall.

Thank you for your help!
