

## **Exception to Graduation Policy Recommendation for Early Graduation**

The following students have requested an exception to Board Policy *#605.1 Requirements for Graduation* to be allowed to graduate at the end of their 11<sup>th</sup> grade year.

**Porter Beland**  
**Katia Haugstad**  
**Zoe Bleile**

Each of the students will have met all graduation requirements, and have plans to continue their education at post-secondary institutions. The high school administration is supportive of approving this exception.

It is our recommendation the Board approves the exception to the Board Policy *#605.1 Requirements for Graduation* for each of these students.
