

Policy Title:

Concurrent Enrollment Textbook

Code No. **602.21.1**

Concurrent Enrollment is provided through a joint education service agreement between Hawkeye Community College and the Cedar Falls Community School District (Chapter 28E of the Iowa Code).

For concurrent enrolled students, textbooks must be provided to students in the same manner as districts provide books for other courses pursuant to Iowa Code Chapter 301 (Senior Year Plus Guide, SYP 2016).

Districts are permitted to set textbook policies that distinguish between sites and delivery methods. The textbook policy must apply to both the public and nonpublic students.

- The Cedar Falls Community School District (CFCSD) covers the cost of textbooks for students taking concurrent courses taught by Cedar Falls School's staff at Cedar Falls Community School District locations.
- A student who chooses alternative delivery formats or site, purchase their own textbooks.
