

Policy Title:

Distribution of Literature

Code No. *1001.2*

The Board of Education recognizes that effective communications are frequently a part of worthwhile civic and community projects or organizations. Electronic or other information from nonprofit and for-profit local community organizations may be approved for electronic distribution or other posting to students or school employees, if the materials are not in conflict with Board Policies.

The District shall maintain a centralized location for all District and community postings and notices, which shall include union postings and election notices. Notices not posted in approved locations may be removed by District personnel.

Materials submitted by outside organizations (parent-teacher associations are considered school agencies) are not to be distributed directly to students, staff or sent to homes unless authorization has been granted by the superintendent or his/her designee and appropriate arrangements have been made to have the materials prepared and delivered to that school. Such a request would only be approved when a generalized electronic distribution or posting is not appropriate and it is deemed for the best interests of students, staff and school and not a commercial venture.
