

Tiger Booster Club

2022-2023

The Cedar Falls Tiger Booster Club is a non-profit 501c3 organization with the sole purpose of supporting the athletic programs at Cedar Falls High School, Peet Jr. High and Holmes Jr. High. Now in its 47th year, the Club is one the largest and oldest booster clubs in the state.

The 2021-2022 season saw historic, record-breaking growth in donations and support of our student-athletes. Because of YOU, the Booster Club provided over \$130,000 to various athletic programs. Thank you!

Booster funding is generated from your generous support of memberships & donations, the annual Pat Mitchell Memorial Golf Outing, program advertising & sales, and concessions at athletic events.

The Booster Club extends sincere appreciation and thanks to all those who support the Club through membership, advertising, volunteering and our loyal Tiger fans. Because of your continued support, we will be able to provide a quality program for all our student-athletes.
