2. Supporting Teachers:

- Any hospitality needs or updates?

3. Supporting Students:

For discussion/assistance:

- Playground Update - Going with ParkPlanet. We may be able to have something to show at the Fun Fair. Should it just be an announcement, and start fundraising later to not pull from Fun Fair? Or do we have the option to start giving now?
- Learning Ally Renewal - \$1,999 renewal needed for next year. Erin Blasberg planned to present but had a conflict. We have funds in the literacy line this year if we could pay it now, and budget renewal for next year.
