

Dear Cedar Falls School Board,

My name is Kenidee Bronner and I am a Junior at Cedar Falls High School. I am requesting to graduate at the end of my junior year in May 2019. Due to early graduation, I would like to attend the University of Iowa the fall of 2019 to pursue a career in Nursing or Radiology. I have taken my ACT and will be taking it again to improve my score. I have spent countless hours and worked hard to obtain enough credits to graduate early. I will continue to work hard this year and prepare myself for my future knowing that I will be attending college next year.

Thank you for your consideration,

Kenidee Bronner
