

Partners in EDUCATION

Our Goal:

Cedar Falls Community Schools uses the program Partners in Education to connect with local businesses and organizations in the Cedar Valley. This program offers the opportunity for businesses and organizations to help our youth gain knowledge, skills and opportunities.

Examples of ways you can get involved.

- Provide opportunities for job shadowing
- Tutor/mentor students
- Donate equipment, training or materials
- Volunteer to do mock interviews
- Speak at high school career day
- Provide summer internships or jobs for students and teachers
- Be a guest speaker in a classroom
- Join a District committee
- Donate to PTA/Booster Club organizations
- Offer a business discount to school district employees
- Display student artwork
- Do you have other ideas?

How does Partners in Education benefit you?

- Schools and District provide recognition for Partners of Education through school publications, social media, website and other avenues
- Partners of Education will build goodwill between themselves and the entire school community.

Guidelines and Standards:

*Business partners may give a school or student items with their logo on it.
Each partnership will have objectives for both the partner and the school.*
