Cedar Falls School Board of Directors,

My name is Rhiannon Riepe and I am a fourth-year junior in the Cedar Falls High School Alternative Program. I am writing to request approval for early graduation. I began my high school career at Holmes Junior High during the 2016-2017 school year, then transferred to Pleasantville High School. The following year I attended Expo High School in Waterloo before returning to Cedar Falls in the fall of 2018. I struggled to earn credits during the 2018-2019 school year but made a commitment this year to put myself in the position to graduate with the class that I began my high school career with at Holmes. I still have credits to earn, but I am happy to report that I am on track to graduate.

My goal after high school is to work and attend Hawkeye Community College. I plan to complete a two-year liberal arts degree, then transfer to UNI. I am currently undecided about what I want to major in.

Thank you for considering my request.

Respectfully,

Rhiannon Riepe
