

THE CEDAR FALLS SCHOOLS FOUNDATION CONNECTION

December 2019

EXCELLENCE GRANTS AWARDED

Eighteen Excellence Grants, totalling over \$15,000, were awarded in November for innovative projects in the classroom ranging from 3D printers to disc golf materials. Grants were available to pre-k-12 educators and made possible through donor gifts. Four named grants were awarded this year in memory of Pat Lyman, Robert L. Savereide, Amy Denholm, and Jim & Karen Bolger.

ANNUAL CAMPAIGN UNDERWAY

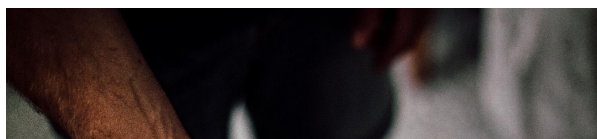

We are pleased to announce our Annual Tradition of Excellence Campaign is underway. Since its inception in 2007, contributions from parents, community members, alumni, businesses and organizations have helped the Foundation establish excellence grants and scholarships, and assist with programming needs. As the campaign continues to grow each year, so does our ability to support every student, every day. Every gift makes a difference.

Consider a gift to the Cedar Falls Schools Foundation through your retirement account

If you are 70 1/2 years of age or older and believe in our mission, you can make a direct, tax-free gift from your IRA to CFSF. Giving from an IRA is an easy and convenient way to make a gift, with the amount of your gift excluded from gross income as a tax-free rollover and it counts toward your annual required minimum distribution.
