Welcome to the 2017-2018 school year! I am thrilled to be starting my eighth year as Hansen Elementary Principal. We have an incredible school and I am confident you will find Hansen to be a caring, safe learning environment where staff are committed to providing your children with exceptional learning opportunities.

Last school year we were presented with the 2016 National Blue Ribbon Award. We were recognized with this prestigious award due to having some of the highest proficiency results in the state based on Iowa Assessments. In addition we received the 2017 Breaking Barriers Award from the Iowa Department of Education. We received this award for having the highest proficiency in the state for students with IEPs. This fall we were recognized as a Niche 2018 Best School in America with a ranking of fourth best elementary in Iowa.

While we take pride in our tradition of excellence at Hansen, we also know in order to continue to achieve our vision of educating all students at high levels, we must work diligently each day to stay on the cutting edge and implement best practice.

The purpose of this newsletter is to keep you informed about our school. A new issue will be released the 15th of each month and will include information regarding our

UPCOMING

DATES

NO SCHOOL PD Day	9/15
Safety City (Kindergarten)	9/21

Halloween Parade	10/27

We have Hansen PRIDE!

Welcome to our new associate principal, Mrs. Savannah Swestka! Mrs. Swestka comes to us from Iowa City Community Schools where she has spent the previous 8 years as a special education teacher, kindergarten teacher, special education coordinator, and elementary principal. Mrs. Swestka has been active in Hansen classrooms this school year introducing herself and getting to know students. Mrs.

Hansen's SMART Goals for this school year are as follows:

Math:

By May of 2018 57% of students will be considered advanced as measured by Iowa Assessments.

Farm to School!

This year Hansen students will once again be participating in the Farm to School program! Twice a year students have the opportunity to sample produce from a local grower and learn about the health benefits of the vegetables they try. To

Culture:

By May 2018, 90% (increase from 88%) of our students will answer that Hansen students treat each other with respect all or most of the time as measured by the How I Feel About School Survey.

Professional Learning Communities:

By May 2018, 97% of teachers will say "Got it" on question 17 of the Critical Issues Survey which reads, "We have taught students the criteria we will use in judging their work and provided them with examples."

These new staff members are excited to serve students and build relationships with our Hansen families!

Miss Jen's School Counseling Blog

Miss Jen Alexander serves as Hansen's School Counselor and supports student's social and emotional growth. You can stay up to date on Miss Jen's teaching within the classroom as well as various resources by visiting her blog at the following site:

PTA News

We are excited to announce that we are implementing a Farm to School Snack Program at Hansen! This program supports our Blue Zone School designation by providing our students with healthy snacks and the opportunity to learn about our local economy, farming, and produce.

Getting Email?

All Hansen families should be receiving a weekly email sent each Friday. If you are not receiving the weekly announcements, please contact the office at 553.2775.

Contact Mrs. Estep

I am happy to talk with you anytime about our school! If you have comments, concerns, or questions please don't hesitate to call, email, or set up an appointment.
