Public Service Loan Forgiveness (PSLF) form

You are about to start the PSLF form. The US Department of Education requires all eligible Public Service Loan Forgiveness applicants to submit a PSLF form for each qualifying employer. The PSLF form helps to ensure you are on track for loan forgiveness. It will only take a minute.

Select below which employer you will send your PSLF form to

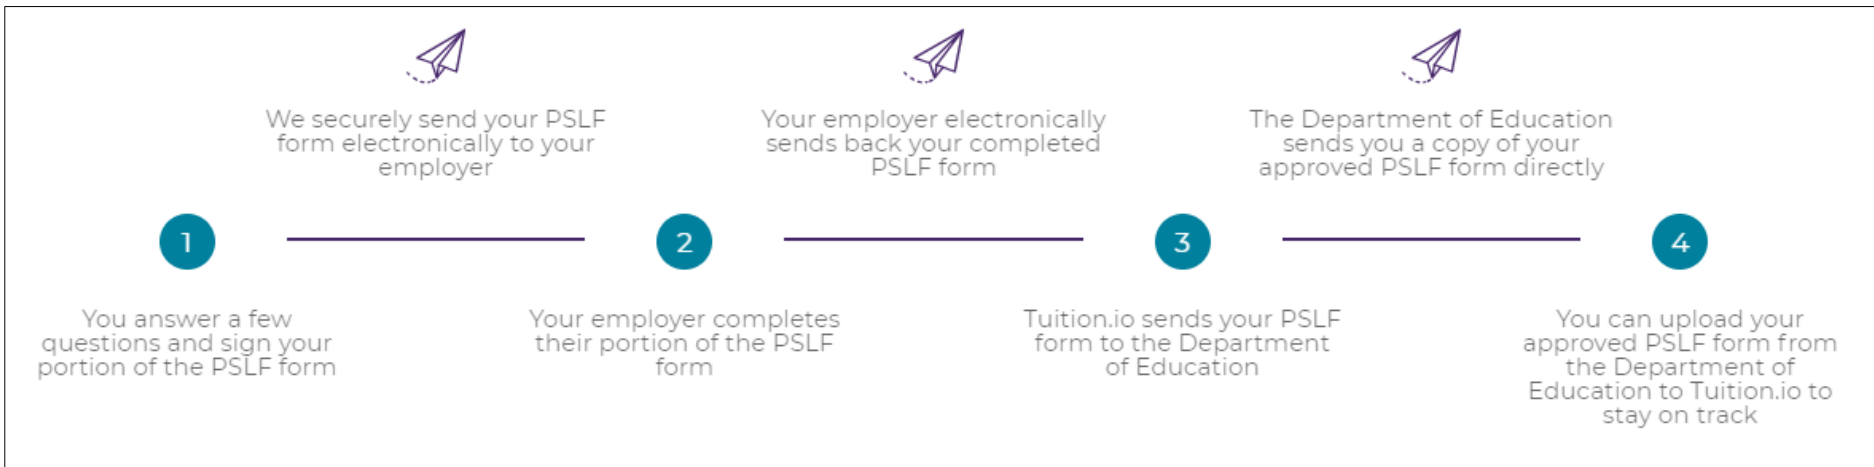

- My Current Employer
- We encourage you start a PSLF form for your current employer before any prior employers. We recommend completing a PSLF form for your current employer at least once a year, and any time you change employers.
- A Prior Employer
- If you have worked for a non-profit in the past and have not yet completed a PSLF form for that employer, you can select this option and get that time counted toward PSLF. It helps to have your former employer's email.
