This provides a very brief description of some of the important features of the insurance policy. It is not the insurance policy and does not represent it. A full explanation of benefits, exceptions and limitations is contained in the Group Accident Insurance Policy Form GA-2200Ed.11-16 (and any state specific), and any applicable endorsement(s). This policy is considered term accident insurance (except in ID) and is non-renewable. This product may not be available in all states and is subject to individual state regulations. The Master Policy is issued to the School District/School. A copy of the Privacy Notice and Certificate of Coverage may be obtained on the website www.sas-mn.com.

EXTENDED DENTAL ACCIDENT COVERAGE

Provides benefits up to a maximum of \$5,000 for any dental Injury. Covers the student 24 hours a day until school starts next year. Treatment must begin within 60 days from the date of the Injury and must be performed within one year from the date of Injury. However, if within the one year period following the date of Injury the student's attending dentist certifies that dental treatment and/or replacement must be deferred beyond one year, the policy pays the estimated cost of such deferred treatment, but not to exceed \$200 for each tooth. Benefits for prostheses are limited to \$500 per injury, including procedures performed to install them. Dental prostheses include, but are not limited to: crowns, dentures, bridges, and implants. Extended Dental does not cover treatment for orthodontics and dental disease, or expenses that exceed the dental prosthesis maximum benefit limit.

Effective and Expiration Dates

Coverage becomes effective the later of: the Master Policy Effective Date; or for "school return enrollment" forms, 12:01AM following the date the envelope containing the enrollment form and premium is received by the School, the Company or its authorized agent; or for "the mail-back enrollment" form, 12:01AM following the date the envelope containing the enrollment form and premium is postmarked by the U.S. Postal Service. Interscholastic sports coverage will expire on the last day of the authorized season of the current school year. School-Time and Full-Time Coverages end the first day of school next year.

The policy contains a provision limiting coverage to usual and customary charges. This limitation may result in additional out-of-pocket expenses for the insured.

The Voluntary Coverage Plan

This plan allows the School District to offer student accident insurance coverage to parents on a voluntary basis. Each student in the District is provided with plan information to take home to their parents.

- For school return enrollment form (1511), the parents are to either sign a "Waiver" indicating that they have adequate insurance, or purchase the student accident insurance by returning the enrollment form and premium to the school. (Waiver does not apply in SD)
- For mailback enrollment form (1513), the parents will mail the enrollment form and premium directly to our office.

This plan will give the School Board and Administration a method to inform parents that the District is not responsible to pay for medical expenses caused by a school injury.
