

Are you curious about the stars and mysteries of outer space?

Do you like to help others and find better ways to do things?

Do you enjoy math and science and want to learn how those skills can lead to a creative and fun career?

Come join us at the  
**CEDAR VALLEY**

Some workshops and activities this year will have a space theme to celebrate the 50th anniversary of APOLLO

WHEN

**Saturday, November 2nd**

**Time: 9am – 2:30pm**

WHERE

**University of Northern  
Iowa Campus**

Hosted by: Cedar Valley Society of Women Engineers and the University of Northern Iowa

**What is Expanding Your Horizons (EYH)?**

EYH is a day-long conference, where 5<sup>th</sup> – 8<sup>th</sup> grade girls get to learn about the wide range of career options in Science, Technology, Engineering, & Math (STEM). There will be fun, hands-on workshops hosted by local professionals and students, who have turned their love of STEM into a career!

When you register, you select what fields interest you, then you are assigned to 3 workshops related to your interests!

**How much does it cost?** \$10 per girl, scholarships are available

**Registration opens:** Monday, September 30<sup>th</sup>

**Registration deadline:** Saturday, October 26<sup>th</sup>

**Where can you find more information & register?** [www.expandingyourhorizons.org/conferences/CedarValleyIowa/](http://www.expandingyourhorizons.org/conferences/CedarValleyIowa/)
