Cedar Falls School District Board of Directors,

I am writing to request early graduation from Cedar Falls High School. Currently, I am a Junior who has earned 45.5 credits.

At the beginning of the school year, I set a goal to complete Cedar Falls High School graduation requirements by May of 2019. I worked especially hard and dedicated myself in order to accomplish that goal. Despite obstacles and unforeseen circumstances that came up in my life through the course of this school year, I persevered. I believe the effort I have put in to graduating high school has made me a better person.

My family & I are planning to move to Colorado next month. My mom has delayed moving 6 months in hope that I'd be able to graduate a year early. It is important to us that my high school diploma is earned from "Cedar Falls High School." Once moved, I plan to attend a 2-year community college in Colorado and complete my two-year AA degree. Then, I plan to attend a 4-year college or university to pursue a Bachelor's Degree in Behavioral Science. My mom and I have been working to complete applications for admission.

Thank you for your consideration,

Kyandra Gillum
