NOTES: The winning bid is the most cost-effective solution to meet district needs. Although NetDiverse had the lowest overall price, their proposed solution does not meet the needs of the district and the equipment is incompatible with the rest of the district's infrastructure.

Notes:

\* Percentage weights must add up to 100%. **Price must be weighted the heaviest.**

\*\* Evaluated on a scale of 1 to 5: 1=worst, 5=best.

\*\*\* Weight x Raw Score

\*\*\*\* If no bids were received, indicate as such and sign/date this form.
