

# SUMMER LIBRARY PROGRAM 2021

**JUNE 7 THROUGH JULY 31, 2021!**

Join us for another fun summer full of virtual performers, crafts, scavenger hunts, special programming, and, of course, reading! COVID-19 has impacted the way the library can offer our summer program, but we will strive to provide a fun and memorable summer.

**Who can sign up for the Summer Library Program?** Anyone! We have reading challenges and activities for youth, teens and adults.

**Where do I sign up?** You can register by calling or emailing the youth desk or through Beanstack, which is a new way to experience our Summer Library Program. On the Beanstack website or app, you can view available activities, enter the books you have read, write book reviews, earn badges, and more.

**How does it work?** Log the days you read to earn badges and books!

**How do I log my days?** You can log the days you read either through our paper Summer Reading Log or virtually through Beanstack at [cedarfalls.beanstack.org](http://cedarfalls.beanstack.org) or the Beanstack app. Reading logs are due by Aug. 6th.

**What if I don't have Internet access?** Call the youth desk at (319) 859-3282. We can sign you up and provide you with more details.

**Will there still be weekly crafts?** Yes! Each week, we will have a craft and activity sheet available for pickup.

**What do I do with the tickets I earn?** These tickets give you the power to choose Miss Bekah's hair color! Should her hair be red, blue, turquoise, purple, pink, or something else? Bekah will dye her hair whichever color receives the most votes.
