

# 3RD ANNUAL YOUTH BASKETBALL CAMP

## ABOUT

The Panther Collective Youth Basketball Camp is a UNI Men's and Women's player led event, aimed towards motivating boys and girls in the game of basketball. The event's unique format will have parents and youth working together in growing their passion for basketball and family togetherness.

## THE PANTHER COLLECTIVE

The Panther Collective is a 501(c)3 non-profit corporation with the goal of helping the University of Northern Iowa Men's & Women's Basketball athletes in amplifying their NIL opportunities by contributing their time and talents through work with non-profits, being active in our communities, and providing mentorship to future generations.

## FAQ

**As a parent, do I need to be good at basketball?** Absolutely not. The drills we have chosen are geared perfectly for if you are athletic or not.

**What if a parent is unable to attend?** No problem. Any adult family member or mentor can take part instead. UNI players will also be on hand to assist any child who is unable to have an adult join them that night. So no matter what, your child will have a fun and exciting time.

**What should my child bring?** Please be sure your child brings their own 28.5" basketball and something to drink.
