

2024 STEM CAMPS

ELEMENTARY/MIDDLE SCHOOL

Beyond Frozen

June 10 - 14, 2024
8:30 am—3:00 pm daily
Campers entering 4th - 7th grade

Fractals have deep roots in math, science, and computer science and many applications in modern science and engineering. The cool thing is that we can reproduce and generate fractals as art works. Campers will observe and describe natural fractals and create their own works of art.

Introduction to Robotics

July 15 - 19, 2024
8:30 am—3:00 pm daily
Campers entering 5th - 7th grade

FULL

Campers will work in pairs to design and build SPIKE Prime LEGO robots. Team members will work together programming their robot to solve a variety of simulated problems. For campers with no previous through beginner level robotics and programming experience.
