## END OF SEMESTER 1

[bill.boevers@cfschools.org](mailto:bill.boevers@cfschools.org)

The first semester ends on Thursday, January 13. Please talk to your children and ask how they are doing with their classes. Parents can also check student progress on PowerSchool, or have students pull up PowerSchool to check their grades.

If there is work to be done, you can help by providing them a quiet place to work, preferably at a table or counter for a period of time. Removing distractions, like cell phones, and turning off TV or music will help the students work more efficiently. If you are able, take some time to sit with the kids to provide help or support. Even if the kids are working on subject matter that you are not familiar with, sometimes it is helpful for students to just have somebody sit with them and talk through the work they are doing. Having an adult or older sibling can make a difference.

While we are close to the end of the semester, there is still a lot of time to catch up on what has not been learned.

## PRESENTS FROM PEET

[rebecca.lins@cfschools.org](mailto:rebecca.lins@cfschools.org) / [megan.bowden@cfschools.org](mailto:megan.bowden@cfschools.org)

Presents from Peet was a huge success this year! We could not have done it without the generous support of our students and staff! Through donations and candy cane sales, we raised just over \$2,000 to help four families, and specifically, nine students for the holidays!
