**Item No. 2 – Public Comment**

None

**Item No. 3 – Communications**

Dr. Pattee relayed the report from High School Student Senate representative Michael Flanscha as he was not able attend the board meeting:

- Annual Tiger Trot fundraiser on April 16, 2016 was very successful and proceeds will be distributed to a high school staff member and local families
- Staff appreciation breakfast will be held May 5, 2016
- There were 96 students that received division I ratings at the solo ensembles festival on April 16, 2016
- Annual blood drive will be held on May 11, 2016
- Update on activities: music, track, soccer and tennis.
- Prom was held on April 23, 2016 and it went very well
- There are 18 days left for the graduating seniors

Item No. 4 – Informational Report: Character/Leadership Education

Ms. Zeigler introduced elementary teachers Michelle Peters, Heidi Guse and Principal Jen Hartman. The ladies reported on Character Counts and “Leader in Me” education throughout the elementary school system. Angela Wittmer and Rebecca Lins reported on character education activities in the junior high schools and Susan Langan reported on character education opportunities at the high school. A question and answer session followed the presentations. Board members thanked all presenters for their time.

Item No. 5 – Joint Facility Discussion

Mr. Nefzger shared information and photographs concerning the current state of the tennis courts at the Robinson Dresser Athletic Complex. The tennis courts are in desperate need of repair with multiple cracks and uneven surfaces of the courts. Mr. Nefzger provided historical information on tennis team usage since 2011 including the approximate number of hours the tennis courts are used in practice, as well as meets throughout the season. A preliminary estimate to replace the existing tennis courts with a four inch asphalt new surface including the removal of the existing fence and replacing is approximately \$602,700 to \$627,700. That estimate does not include any electrical power or lighting to the tennis courts. The estimate does not include any storm water pollution prevention plan costs that maybe associated with the replacement of the tennis courts.

Michael Hager, Vice-president of Finance at the University of Northern Iowa and Mark Ripplinger, Recreation and Park Division Manager at the City of Cedar Falls were in attendance. Because of the large cost associated with the project the District has been in discussions with both the University of Northern Iowa and the City of Cedar Falls concerning tennis court needs. The three entities have developed a partnership to construct and maintain a shared tennis court facility. The preliminary cost to construct an eight court facility is approximately \$1,523,000. This tennis facility includes a tensioned concrete slab court surface instead of the four inch asphalt slab surface, as well as provide electrical conduit to the courts for future lighting. All three parties are working jointly to present an application to the Black Hawk County Gaming Association for funding. The application will be a joint application between the City of Cedar Falls and the Cedar Falls Community School District. Other types of grant applications and contributions are being explored. The remaining costs would be a shared cost between, City of Cedar Falls, University of Northern Iowa and the Cedar Falls Community School District. A question and answer session developed between board members concerning potential costs of partnerships and usage of existing and potential new tennis court facility.

Item No. 6 – Proposed List of 2016 Graduates

Dr. Pattee reviewed the list of proposed graduates for the 2015-2016 school year. Superintendent Pattee reported that commencement exercises for the 140th graduating class of Cedar Falls Community School District will be held at 2:00 p.m. on Sunday May 22, 2016 at the University of Northern Iowa McLeod Center. The following is a preliminary list of candidates for graduation. Director Hines moved and Director Coil seconded the motion to approve awarding the diplomas for the graduating class of 2016 contingent upon satisfactory completion of graduation requirements as attested to by the High School principal. Directors voting in favor of the motion: Coil, Hassman, Hines, Lantz, Leeper, and Shaw. Those voting “no” none. Motion carried.

Item No. 7 – Board Meeting Location

The Board continued their meeting location discussion from the April 11, 2016 meeting. Dr. Pattee recommended that the Cedar Falls Community School Board hold the July and the first meeting in August at the City of Cedar Falls city hall and reconvene back to the District board room for the second meeting in August to review the process. Director Coil commented that the District should have all school board meetings from the month of July through December at City of Cedar Falls city hall. Director Hassman stated that he applauded the recommendation. Director Hines stated that she would need to make sure while at city hall the current process for public input during school board meetings is publicized and presented to the community. After discussion, Director Hassman moved and Director Coil seconded the motion to hold board meeting as city hall for a six month trial basis starting in July 2016, if possible.
