PM PICK-UP

When picking students up at 3:00pm, it is important to keep traffic moving on Seerley Blvd. We have recently had a few cars park on the side of Seerley which causes safety issues. It is ok to wait at the stop sign if your student is walking toward you. Otherwise, to keep traffic moving, please pull into the lot and wait for your student there.

If you have any questions, please call Mr. Meister.

Thank you for following the expectations to keep our pickup time safe for all of our students.

**THURSDAY

With all that parenting currently demands, it's easy to get caught in the details of every new emotion, conflict, trend and homework assignment that comes our way. I get it! After 35 years of being in the "solution" business, the menu of problems has never been more confusing, and the array of opinions less informed. Let's take a collective step back--out of the weeds and traps-- and focus instead on bolstering the bigger skills that help families handle emotions, relationships, and the bumpiness of being human.

STUDENT ATTENDANCE

shane.williams@cfschools.org

[CFCSD Attendance Policy 2024-25](#)

Please click on the link above to learn about our school district's updated attendance procedures following the new State of Iowa legislation (Senate File 2435).

Key Points from:

[Keep Your Child On Track in Middle and High School: Pay Attention to Attendance](#)

Even as children grow older and more independent, families play a key role in making sure students access learning opportunities and understand why attendance is so important for success in school and on the job.

Did you know?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores

What You Can Do

- Talk about the importance of showing up to school every day
- Try not to schedule dental and medical appointments during the school day
- Help your teen stay engaged by encouraging them to join meaningful after-school activities, including sports and clubs
- Check on your child's attendance to be sure absences are not adding up
- Seek help from school staff, other parents or community agencies if you need support

Let's make it a great school year at Peet Junior High!
