

Members of the Cedar Falls Community Schools Board of Directors,

I am writing to request early graduation from Cedar Falls High School. I am a junior who expects to meet Cedar Falls High School graduation requirements during the month of April, 2019. I transitioned from Cedar Falls High School to the Alternative Program at the start of the 2018-2019 school year. This school year I made the commitment to attend every day and work extremely hard to put myself in a position to graduate early.

Following graduation from CFHS, I plan to do an apprenticeship in order to become an electrician. Unfortunately, I have to wait until I turn 18 before I can secure a job and begin the apprenticeship program at Hawkeye Community College. Until that date, I plan to continue working at Target. I anticipate landing a job with an Electric Company and beginning my apprenticeship in May of 2020. Thank you for taking the time to consider my request to graduate early.

Sincerely,

Will Sires
