PRESENTS FROM PEET

Contact: katie.hinders@cfschools.org /
rebecca.lins@cfschools.org / megan.bowden@cfschools.org

Each school year, Peet's students and staff fundraise to help a few of our families out with purchasing gifts and some family necessities for the holiday season. We will be collecting monetary donations for our 2022 Presents from Peet starting now through December 9th. Monetary donations can be dropped off with our bookkeeper in the office, Mrs. Davis.

Along with this opportunity to give, we will have an Ugly Winter Sweater dress up day and Sell Candy Canes to send to friends with positive messages. All monies collected go to our Presents from Peet fundraiser.

If you would like to help by donating either monetarily or with physical items, please reach out to our counseling office. Emails for the counseling office can be found listed above or you can call them at (319)553-2765.

Thank you for partnering with our school to help some of our families this holiday season.

9TH CAREER CONNECTIONS

Contact: rebecca.lins@cfschools.org

This year was our 1st Annual Career Connections Event held for all Cedar Falls Freshmen! The idea for this event came from a collaborative effort last year when Jr. High Counselors felt that 9th graders would benefit from a more hands-on and relevant experience regarding their next stage for high school scheduling and to build upon their awareness of the world of work.

With support and major efforts from Chris Wood, Tara Estep and our CAPS program, we were able to help 9th graders explore careers through real world conversations and connections. With that, explore the connection between real world work and school based instruction to ensure 4 year plan confidence. Freshmen were prepared for the event the week before by learning how to create an "elevator pitch" as well as how to have a professional handshake.

Students were able to experience three rotations of Professional Skills, Career Networking and hands-on experience with our Career Technical electives. Students ended the event with time spent in an area business or organization that connected to their career cluster of choice.

We appreciate the time and support given by so many area businesses who spent time investing in our students!
