Iowa Statewide Assessment of Student Progress

– formally known as: Iowa Assessments or ITBS

This year will be the third year of state wide assessments through the Iowa Statewide Assessment of Student Progress (ISASP) – formally known as: Iowa Assessments or ITBS. The testing will all be done on student Chromebooks. Iowa Assessments will tentatively be the week of March 27th.

All tests will be untimed, so any student who needs more time to finish each test will be allowed to do so. You will also not need to bring a calculator as that will be available on the Chromebook. Teachers have and will continue to prepare students for these tests, as we are doing our best to set all students up for success.

On these test days, student will need to bring:

- Chromebooks FULLY charged! All testing will be done on the student Chromebook, so make sure it is charged the night before.
- A book to read if finished early from testing. No phones, watches, or electronics of any kind will be allowed during the testing time, and students will not be allowed to be on Chromebooks when not testing.
- Each student's best effort! These tests are important for future success and to help us schedule students in the correct classes for next year. Don't be nervous, just do your best!
