

Policy Title:

Emergency Plans and Drills

Code No. **507.5**

Students will be informed of the appropriate action to take in an emergency. Emergency drills for fire, weather, and other emergencies are conducted each school year. Fire and tornado drills are conducted regularly during the academic school year with a minimum of two before December 31 and two after January 1. Other emergency drills such as lock down, shelter in place, and off-site evacuation shall be conducted periodically.

Each attendance center will maintain a copy of the Cedar Falls Community School District Safe Schools Plan. The Plan will be communicated to and reviewed with employees. Employees will participate in emergency drills. Licensed employees are responsible for instructing the proper techniques to be followed in the drill.

Date of Adoption: September 28, 2009

Date of Revision: April 8, 2013
June 12, 2017
