A NOTE FROM MR. BOEVERS

We have had a successful start to school. New students are learning routines and getting comfortable with Peet. Returning students have found that we have kept some of the procedures used last year that have made things better for students. An example of this is allowing students to carry backpacks. Students need to make fewer locker stops allowing them to get to class on time. Backpacks also help students get to class with all their materials.

PEET PATT

(Parents And Teachers Together)
The PATT parent group organizes volunteers for school activities and also provide food for conferences and celebrations.

A membership donation is \$10.00 per household. Donations can be made through the Tiger Store by clicking [HERE](#).

AFTER SCHOOL- ALT/LEARNING LABS

Contact: bill.boevers@cfschools.org

At Peet, we put an emphasis on academics with our students. Similar to what we have done in the past, prior to Covid, we will be assigning students 30 minutes Alternative Learning Time after school if they have not completed assigned work. Students would be expected to stay in the classroom of the assigning teacher from 3:00 - 3:30 to get help from the teacher to complete the work. If that teacher is not available after school, we will assign them to another room with another teacher.

Teachers will notify parents if their student is assigned. Parents will be responsible to pick the student up at 3:30, or the students can stay for ECHOES which runs until 4:30 Tuesday - Thursday. Busing is provided for students that choose to stay for ECHOES.

If a student is involved in athletics, they will be sent to practice at 3:30.

Our intention is to teach students responsibility and the importance of completing assigned tasks on time, as well as helping them learn what they need to be successful. In the past, parents have been very supportive of this intervention to help their students. If you have any questions regarding Alternative Learning Time, please call the school and ask for Mr. Boevers.
