

Policy Title:

School Food Program

Code No. ***701.1***

The school district will operate a school lunch and breakfast program in each attendance center. School food program services will include meals prepared through participation in the National School Lunch Program and supplementary foods provided to students during the school day. Participation is on a voluntary basis.

School food service facilities are provided to serve students and employees when school is in session and during school-related activities. Other organizations and individuals in accordance with board policy may also use these facilities.

The school food program is operated on a nonprofit basis. The revenues of the school food program will be used only for paying the regular operating costs of the school food program. Supplies of the school food program will only be used for school food program.

The Board will set, and periodically review, the prices charged for school meals. It is the responsibility of the Superintendent or designee to make a recommendation regarding the prices of school meals and milk.

Management and supervision shall be under the direction of the Director of Business Affairs that shall perform such duties as may be required by policy.
