

A. *Profit-Making Organizations*

Teachers and students shall not be used for the promotion or sale of services/products of businesses, agencies or organizations operating for profit. The Board of Education specifically forbids such activities as the following:

1. Distribution by students of pamphlets or other literature urging students, parents, and others to purchase services or products sold primarily for the benefit of a profit-making organization.
2. The sale by students or teachers of products and/or services, except in relation to production by students as part of the educational program.

When the Board of Education and/or the superintendent of schools feels that said benefits outweigh any promotional purpose, prior approval can be given by the superintendent or designee to an activity.

B. *Distribution — Sales Literature*

No one shall be permitted to solicit any student or teacher, to distribute circulars, handbills, cards or advertisements or take up contributions, except by approval from the superintendent of schools or designee as being in accord with the general philosophy and policies of the Board of Education.

C. *School Fund-Raising Activities*

Building administrators may authorize a limited number of building fund-raising activities. Funds raised through such sales must be expended for school-related projects. Such projects shall have prior approval of the appropriate director.

D. *School-Related Parent Organization Fund Drives*
