

Dear Parents,

As you know we are committed to empowering your child and helping every student find their voice so they can become a leader. In an effort to take student empowerment to an even higher level, we are seeking interested students for our Student Lighthouse Team for this new school year. Our goal is to have student representatives from 5th and 6th grades to have the team in place by October 1. Below is information about the process and timeline.

Wednesday, September 6: Classroom teachers will introduce the opportunity to our students, explaining the process and information we're looking for.

September 6 - September 15: Interested students can pick up an application from their homeroom teacher.

September 6 - September 17: Students fill out the application at home and get a parent signature. Ideas and work should be their own.

September 17: Students turn their application in to their homeroom teacher by the end of the school day. (Late applications will NOT be accepted.)

September 20 - October 1: Applications will be reviewed by our principal and Staff Lighthouse team and students will be chosen. Parents will also be notified so that we can partner and support your child in another meaningful leadership role.

October 1: New SLT members are announced!

We are excited to invite your child to apply. Please reach out to the school office if you have any questions. THANK YOU for supporting our students as they pursue this important leadership role in our school community!

Sincerely,
The School Lighthouse Team

Leader in Me®
