

expanding opportunities

The success of our students depends on the participation of many – teachers, support staff and admin teams, as well as the dedication of parents, caregivers, students and **a supportive business community.**

We are committed to expanding opportunities for Cedar Falls students. Our areas of impact enhance excellence in our already strong district by supporting projects and programs that fall outside public funding. We have outlined our 2022 Sponsorship Opportunities below. **Will you join us?**

2022 Business Sponsorship Opportunities
