Pursuant to Iowa Code 279.19A, 8(b) termination of or resignation from a contract with a teacher constitutes an automatic termination of or resignation from an extracurricular contract in effect between the teacher and the Board.

'EOSY': End of School Year is the final day of teacher service, as determined by the official school calendar. In the event the school year is extended due to weather make up days, or other unanticipated causes, the Superintendent may, at his sole discretion, approve an employee request to terminate employment prior to the end of the school year if the request had been previously approved by the Board to take effect at the end of the school year.
