

COMMUNITY CLUB PROGRAM

**American
Red Cross**

Your club members, parents and the community can support your organization and help save lives with the American Red Cross. By hosting a blood drive, the Red Cross will reward your club by purchasing supplies, equipment or any item of your choice that will benefit your organization.

The amount of the reward will be based on the number of pints collected at your blood drive. Your drive must collect a minimum of 30 pints to qualify.*

Your club will be credited \$10 for each pint collected at your blood drive!

The Red Cross will forward the funds directly to the third-party vendor of your choice.**

Fulfillment information will be provided upon completion of your successful blood drive. Support your club and help save lives! To schedule a blood drive, contact your Red Cross representative today.
